ON THE JOURNEY OF LIFE, YOU ARE WITH US STEP BY STEP . . . AND SO . . .

The Symbol Staff, on behalf of the entire Class of '75, dedicate this yearbook to our parents who are responsible for our remembering:

. . . . The day you thanked God for His sending us to you and your bringing us home from the hospital.
. . . . The day you taught us to creep, to walk, to run.
. . . . The day you brought us to the kindergarten bus-stop; and helped us to learn the alphabet.
. . . . The day you smiled when we made our first visit to Church, to our First Confession, to our First Communion Day.
. . . . The days of reckoning, report cards, graduation from grammar school.
. . . . The day for co-op exams and acceptance letters from Holy Family.

. . . . Our four years at H.F. filled with studies, football games, dances, prom,

. . . . And now our graduation day and our plans for the years ahead.

You think that you are losing us, and in actuality you probably are, but please remember this,

YOU GAVE US HAPPINESS, a bond of Faith that even Time cannot sever . . . a happiness to last throughout our lives. And so **WE THANK YOU** from the bottom of our hearts . . . **FOR BEING YOU** . . .

. . . . For you, our parents, are the ones we loved from the beginning. . . . and will always love and remember.

YOU STARTED US ON OUR JOURNEY OF A THOUSAND MILES.

Foreword

We are not just a school, but a community of very special people. Day by day, we flow into Holy Family with dreams of achievement, and like the rolling waves on the seashore, we are together by each other's strength and determination to find and create a more meaningful atmosphere. Only then can our dreams become reality and a place be found where there is room for us to grow every day through LEARNING, PRAYING, LOVING AND SHARING. For just as the rays of sun shine forth upon the beach, we too, through our individual creativity shall shine forth upon our community. Then we will eventually proceed to leave our alma mater and to continue on to new horizons just as the tide moves out to sea.

Unlike many other schools, Holy Family is a community where although we are strongly united, we are individuals with different life styles and ambitions. We are here for only a brief period of our life span, but we can and will through our own self motivation create a united effort to live our years to the fullest, as we learned to do at Holy Family.

Praying

We were taught to seek
God in prayer and it is
prayer that made us one.

Learning

We were taught to explore,
to develop intellectually
and it is in such learning
we attained our goal.

REGULAR HEXAGON

A polygon having 6 sides equal in length and 6 angles equal in degrees.

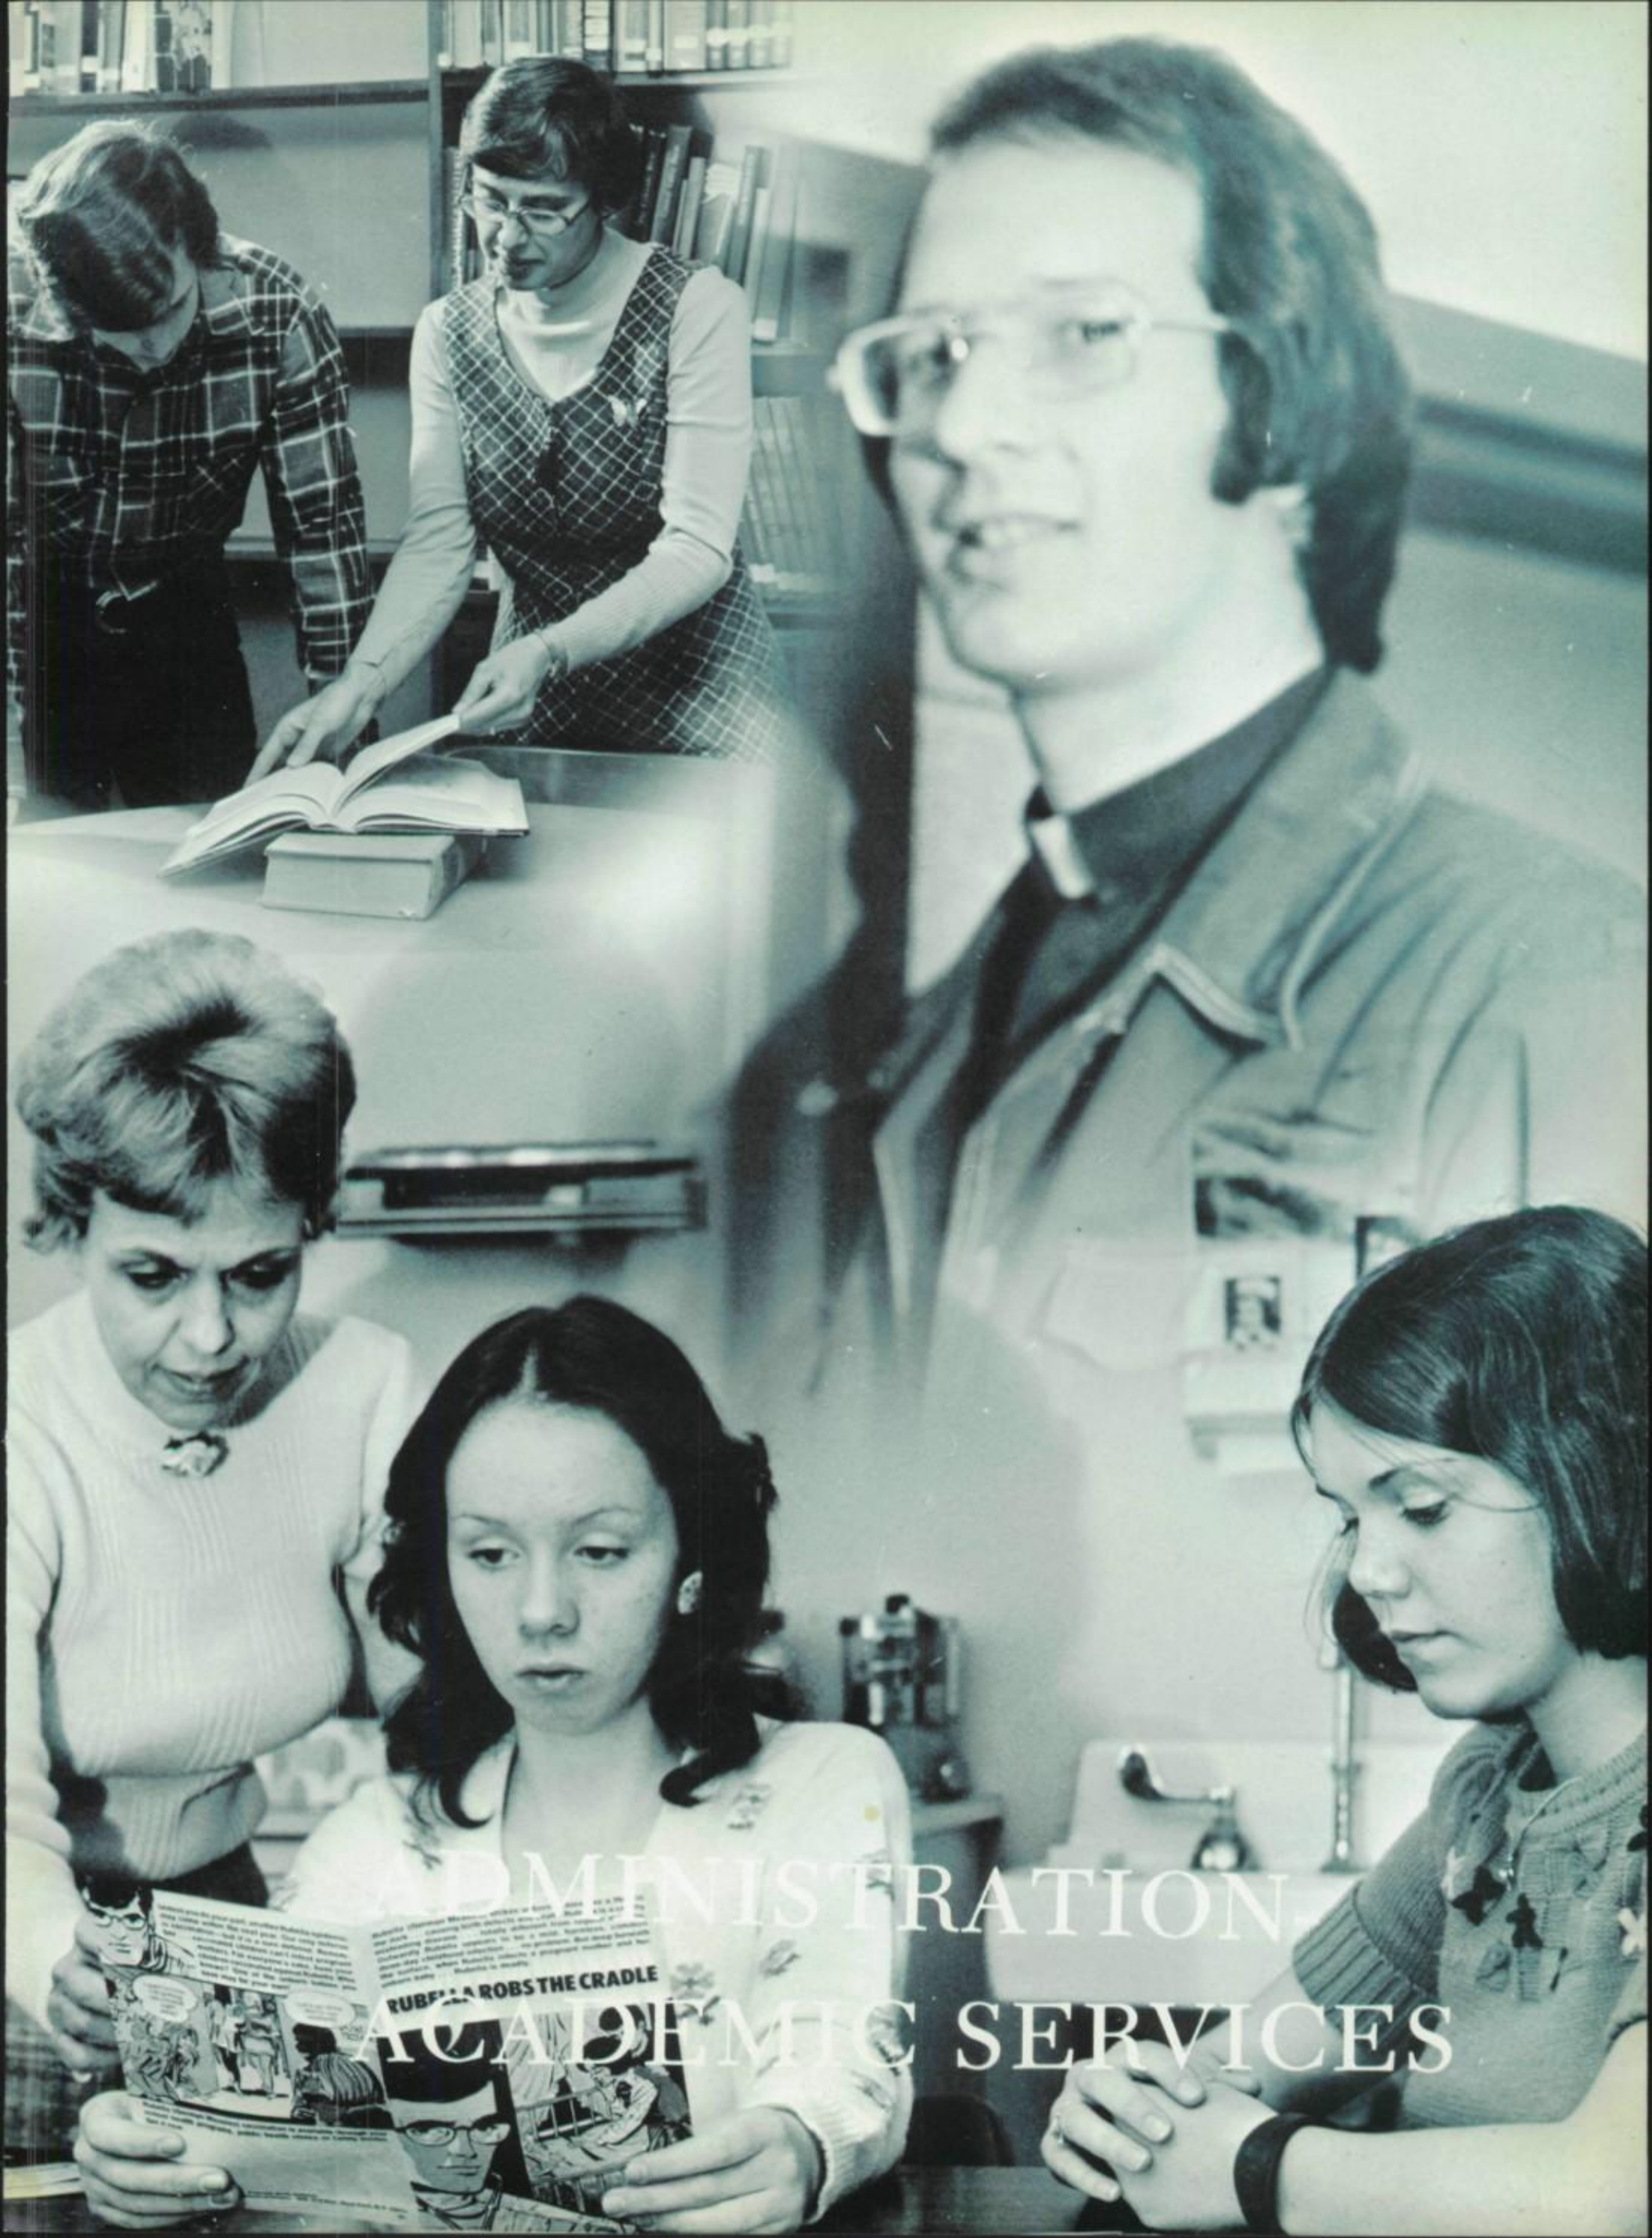

Loving and Sharing

We were taught to love
and we loved, and through
that we learned to share.

THE SPIRITUAL HEAD
OF THE DIOCESE OF
ROCKVILLE CENTRE
THE MOST REVEREND
WALTER P.
KELLENBERG, D.D.
OF ROCKVILLE CENTRE

Bishop Kellenberg has been Bishop of this Diocese since 1957. He was the one who was behind the building campaign and actual erection of the four Diocesan High Schools. To prove his interest in Holy Family one needs only to cite the names of the capable priests he appointed as principals and chaplains. His spiritual and financial support for H.F. is always appreciated.

**BISHOP McGANN DIRECTS THE
SPIRITUAL GROWTH OF THE
CHURCH IN SUFFOLK COUNTY
THE MOST REVEREND
JOHN R. McGANN
EPISCOPAL VICAR OF SUFFOLK
AUXILIARY TO THE BISHOP OF
ROCKVILLE CENTRE**

Bishop McGann recently appointed Vicar of Suffolk County is a familiar figure to nearly all members of the Holy Family Community through his visits to various parishes and the day he spent here last year. It is hoped he will visit H.F. again in the near future.

On every occasion when he meets a member of Holy Family, he immediately asks about the progress of H.F.'s sports, academics and activities.

**FATHER SHANAHAN EXERTS
EFFORTS TOWARD TRUE
EDUCATION
REVEREND PATRICK SHANAHAN
SECRETARY OF EDUCATION
DIOCESE OF ROCKVILLE
CENTRE**

Father Patrick Shanahan has given all to his assignment as Secretary of Education for this Diocese. Father Shanahan attends the National Catholic Welfare Conference each year. He went to Washington in 1969 to prepare Congressional Testimony on Federal Aid to Education for the Conference.

His endless efforts and expertise in maintaining Holy Family as well as the other Diocesan High Schools is evident in the improvements that have been made.

Although Father is not a familiar face to many students at Holy Family, his work is deeply appreciated.

Father Kelly is available to everyone — to parents, to superiors, to all members of the H.F. community.

Mrs. Donnelly, Father Kelly's "Girl Friday" brings him up to date on his mail.

Father Kelly's qualities of leadership enable him to take on new responsibilities.

"I pulled up roots and left a secure situation to go into the unknown, somewhat like a ship going out to sea, unaware of what lies ahead — victory or defeat." Thus does Father James Kelly describe his transition from Chaplain and Administrator at Maria Regina High School in Uniondale to his present position as principal, here at Holy Family. The faculty, administration, parents and students have enabled Father to acquire a constantly increasing love for Holy Family. "The students are great," he stresses, "for they tell what's on their mind whether it be positive or negative!"

As for academics, Father Kelly is a staunch believer in diversified programs in all departments. That academic excellence should be the goal of all students, is a familiar refrain emanating from his office.

Father believes in living according to Gospel values and maintaining a sense of Christian leadership on the part of students, faculty and administration. In the future he hopes to increase enrollment and to keep the tuition costs from rising.

Father wants his priesthood to be evident for he is a priest first, then a principal. As Father puts it, "I am a human being who happens to be a man who wanted to be a priest, and finally who happens to be a principal." These are Father Kelly's own words.

Father Kelly exudes life at its fullest. He is a human person who reveals himself through his testimony — his presence — his every day actions, all of which make the Holy Family community ever more thankful for having him as its leader.

There is a special book on Law that Father regularly consults.

School President Jim Murphy, Senior Class President Anne Marie Reilly, and Roger Weiland consult with Father about their prom plans.

Assistant Principals expedite the working of our school community.

Sister Judith O'Connor, Sister Kevin Marie and Mr. Richard Connelly play an important part in the Holy Family Community. Individually, each has a different job but a very specific one. Combined, they are known as the Assistant Principals, for that is just what they do. They assist the principal as much as possible so that the school will function smoothly.

Sister Judith O'Connor is the Dean of Students for the sophomores and juniors. She is also in charge of the distribution of locks and lockers and the year-round control of them. From the seniors' point of view the highlight of Sister Judith's year is her position as coordinator of the graduation exercises.

Sister Kevin Marie is the Academic Dean. Everyday she deals with students and faculty members on any problem that concerns the academics. Her other assignments include programming, admissions requirements, report cards, and examination schedules. Sister is still able to say, "I love Holy Family and I hope my being here is helping the students."

Mr. Richard Connelly is the Dean of Students for the freshmen and seniors. His other responsibilities include transportation for students, assemblies, attendance, cafeteria and area supervisions and public relations. Mr. Connelly is a newcomer to Holy Family but in one word he thinks the students and faculty are just "fantastic."

How the assistant principals have responded to their responsibilities is evident only by the united spirit the H.F. Community finds in the Administration.

Sister Judith O'Connor performs one of her many chores.

A very special moment in the auditorium during one of the celebrated school liturgies.

Our Chaplains 6'9" of sincerity enable students to fulfill their spiritual growth.

Father Flaherty, Holy Family's new chaplain this year, is more than just a chaplain. He is a friend who goes out of his way for all students in his effort to understand them and to listen to everything they have to say.

Father Kevin does not just sit in his office, waiting for anyone to come to him with problems. He comes to the students. He is a familiar sight as he walks through the Cafeteria and out to the West Campus.

Father Flaherty looks at each day as a new, different, and exciting one and that each day can and will be only better than the day before. And this exuberation for life and life's work is catching throughout the H.F. Community.

Father Flaherty gives guidance to Vicky Vetog and Guy Matthews.

Sr. Mary Jordan is busily marking in SAT scores on a student record.

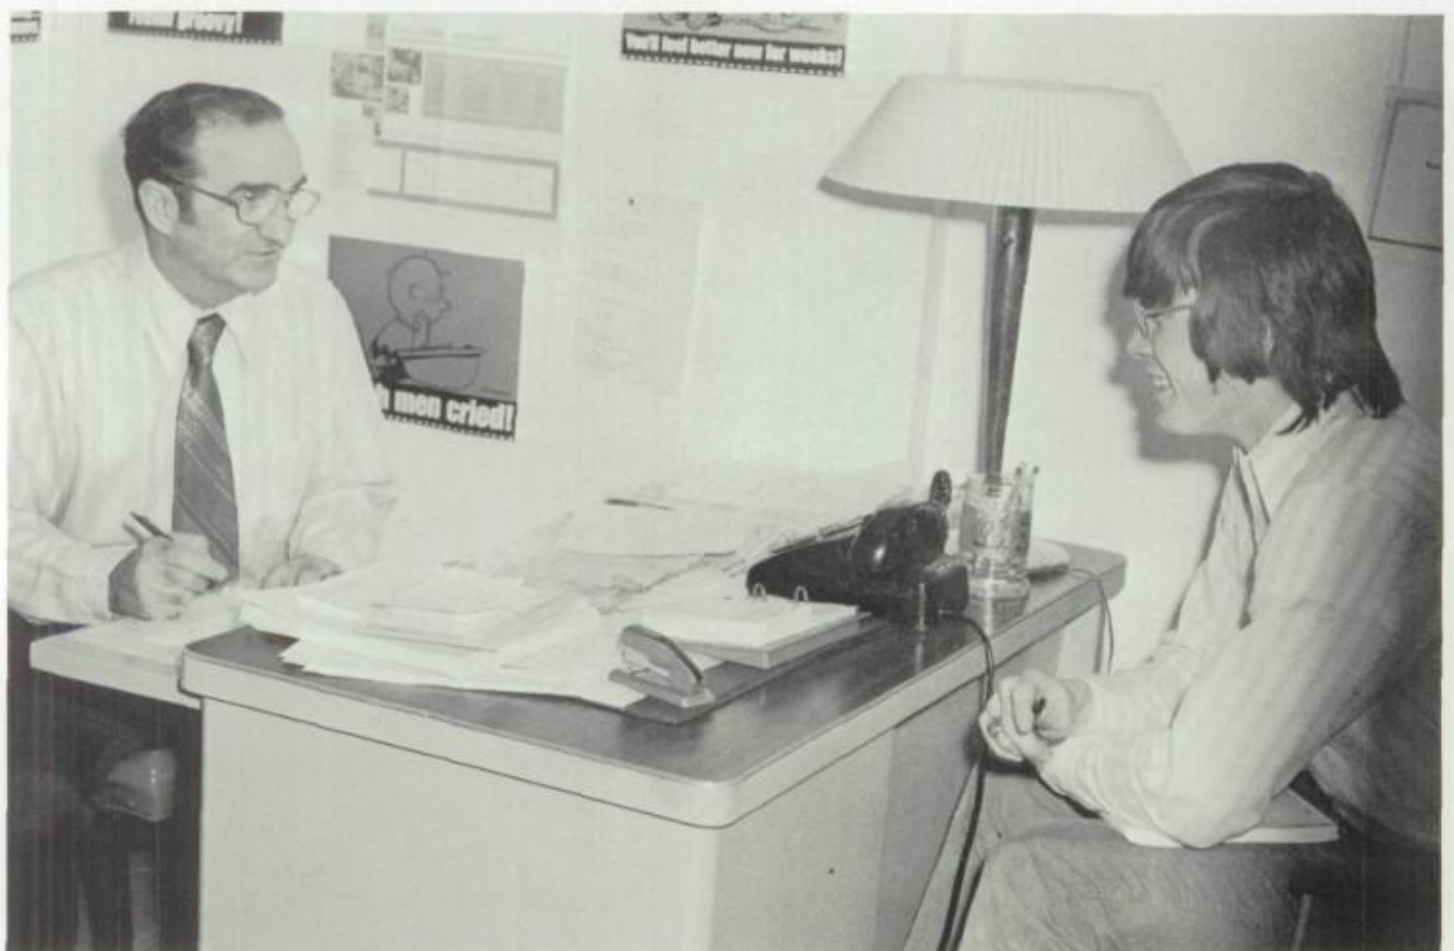

Guidance Office is the place where dreams become reality for the individual.

Working in offices that were remodeled last year, the guidance department performed a variety of services for students this year.

Under the chairman Mr. Lardner and the counselors Sr. Mary Jordan, Sr. Agnes Michaela and Mr. Wrynn, the students of Holy Family are helped with such problems as schedule changes, college choices, college board examinations, and career choices. They receive suggestions and ideas in making decisions. College books filled with career choices are always available and special activities such as College night help individual students to plan for our future.

Students who do not plan to attend college upon graduation can receive information about vocational careers and military service from their counselors.

Students were called to the Guidance Department at least once or twice during the past year to assure them of a timely graduation.

Kevin McCarry stops in to see Mr. Lardner about his chances of admission to a preferred college.

Senior Steve Kuzma gets assistance from Sister Agnes Michaela in planning his program for the last trimester.

Mr. Wrynn helps a student with a trying program.

Diane Wendel looks on inquiringly as Mrs. Koster takes her blood pressure reading.

Health Office provides the school with much needed services.

Under the watchful eye of Mrs. Foell and Mrs. Koster, the students at Holy Family are cared for. The Nurses are always willing to be of assistance to a student in distress. Many times all that is needed to make someone feel better is to be able to lie down and relax. This is possible in the Health Office. No complaint is considered too small and no emergency too great for their "Tender Loving Care."

The Library is the Hub of Learning and Research

Under the guidance of Sister Blanche, the Holy Family Library has become the favorite place to spend free periods for many students. It is an excellent resource center in which to gather material for reports and other research. The library has over 18,000 volumes plus 150 periodicals, microfilm and reference books. The library is also a pleasant place to browse, to expand personal horizons, and to relax in the sunny lounge area with the New York Times or a favorite book.

Much credit should be given to the two library assistants, Mrs. Wilson and Mrs. Denigan for the orderliness of the library. Many thanks is given to the mothers who volunteer their time to the library.

Denise Kelly, Veronica Guiry, Patty Morris, and Dave Dula take advantage of the library's many facilities.

Holy Family Gains New Services

This year something new was added to Holy Family. Starting in February two new people joined the staff, Mrs. Mooney our social worker and Dr. Nicholas Naccari our new school psychologist. These two new additions provide new services to our school.

Mrs. Mooney's job as social worker involves talking to students on various topics from school to home life and any problems the student may be having.

Dr. Nicholas Naccari's new position as school psychologist is to help any student having any difficulties in which he or she needs guidance.

Mrs. Mooney talks with H.F. students in her new office.

Our new H.F. Faculty Advisory Council, *Left to Right*: Sister Kevin Marie, Mr. James Kahrs, Father James Kelly, Father Kevin Flaherty, Mr. Michael Kennedy, Sister Mary James, Sister Mary Madden, Mr. Robert Sacco, Mr. Richard Connelly.

H.F. Faculty Advisory Council — “A Vehicle of Dialogue.”

This year for the first time, Holy Family began a faculty advisory council. Their first meeting was in the third week of March and they continue to meet every other Tuesday. The council is a means of communications between faculty and administration. The council is composed of six elected faculty members, the four administrators, Father Flaherty, and Mrs. MaryLou Donnelly, who takes the minutes. The faculty makes proposals that are brought to the council. Then both the elected faculty members and administration decide which sub-committee the proposal should be sent to. The committee then proceeds to send back its research to the council which then makes their recommendation to Father Kelly. The entire faculty will also get a copy of the findings by the committee. Father Kelly then makes a final decision, with the help of the other administrators — Sister Judith, Sister Kevin, and Mr. Connelly.

The chairman of the council is Mr. Michael Kennedy with Mr. Robert Sacco acting as assistant chairman. This council has definitely proved to be a plus to the H.F. community.

CURRICULUM

Art Pupils Receive "Chances" To Display Work to Public

From the first floor art room to room 201 future Holy Family artist work diligently in the various medias from creating pottery to painting.

The department chairman, Sister Eleanor Gorman, assures both parents and students that academic excellence is being and will continue to be maintained in this department.

Under the direction of Mr. John Bishop, students are made aware of the various medias used in ceramics, sculpturing, advanced painting and other varied art projects. Sister Eleanor gives instruction in Basic Art, Mechanical Drawing and Arts and Crafts.

Both Sister Eleanor and Mr. Bishop are convinced that the students have great potential and there is great scholarship material among students. On April 16, 1975 many of the students were invited to show their paintings and projects at Huntington Library.

Sister Eleanor carefully demonstrates special techniques to Mark Guariello as the rest of the class dilligently complete their projects.

Don and Ed Gamarano construct their paper mache creations.

Mr. Bishop explores the world of mud pies with his ceramic students.

A new ceramic structure-created by Mary Fleming.

Career Oriented Programs Expand and Improve

Most of the courses in the Business Education are vocational but they all have personal use value as well. Such courses in this department headed by Sister Patricia Kelly are Secretarial Practice, Typing, Shorthand, Finance, Accounting and Data Processing which are offered to all.

The Department offerings are designed to permit pupils who successfully completed them to enter the business world immediately upon graduation.

Sister Dolores Marita and Mrs. Christine Puliselic joined ranks with Mr. John Murtagh and Mr. Marzio Trotta to complete the staff this year.

An Attentive class learns a new skill.

Fran Pellicci "creates" a stencil for her business class.

Mary Collins, Sue DiStasi, and Diane Horne develop their secretarial skills.

Mr. Dungate gives health tips to Anne Marie Reilly, Althea Donovan and Anita Marino.

Everything You Always Wanted to Know About..... Health

As the one and only member of the Health Department, Mr. Dungate does a unique job in keeping the Seniors well informed about good health. The various topics of discussion in the class include all phases of physical and mental health.

As one Senior says "Mr. Dungate treats every aspect of health seriously, always respecting one's personal dignity. No topic is a subject of embarrassment, for Mr. Dungate is so professional in his treatment of issues.

His wide use of visual aides and of guest lecturers make each class more interesting.

Home Ec Encourages Students in the Culinary and Tailoring Arts

The tantalizing aromas wafting out of room 111 reveal only one segment of the training going on within. Home Economics encompasses much beyond oven wizardry. A variety of electives offers both girls and boys instruction in child care and family relations, nutrition, fashion design and bread baking. A combination of films, speakers and practical experience varies the curriculum. Under the supervision of Miss Costello, the future homemakers learn that the skills acquired in the Home Economics program can be applied to a career as well as to the management of a home and family.

Patricia Greene, Janet Kiehn and Heidi Larson hope that the cake decorator leaves a little left in the bowl.

The scent of bread brings everyone together in Miss Costello's third period bread baking class.

Literature, Drama, T.V. and Film Study Play an Important Role in English

The English Department, headed by Miss Kathryn Fitzpatrick offers courses that include various levels of English, communicative skills, creative writing, reading, speech, drama and film study.

New additions to the Audio-Visual Department creates more studious interest in certain areas of study. The English Resource Center provides the atmosphere for quiet study and research for interested students.

Many of the teachers in the Department used the discussion treatment in the field of "outside" reading, hoping to create a better exchange of ideas among the students and between students and teachers.

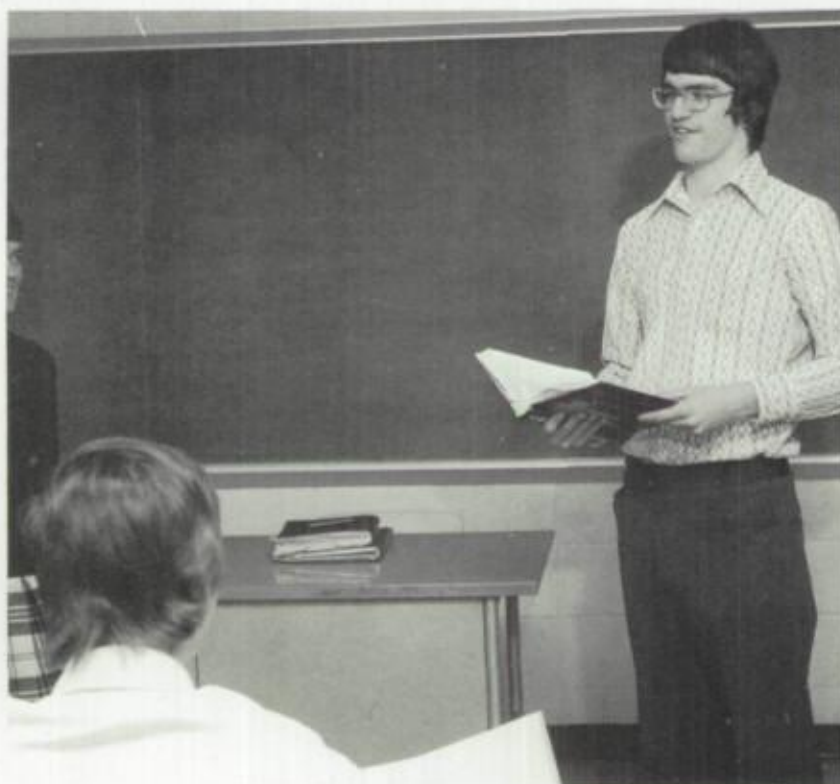

Freshman concentration of study is in reading, writing and acquaintance with the varied types of genre; sophomores are concerned with American Lit.; juniors with English Lit. and seniors with specialized areas of more Lit.

Mr. Clute keeps Shakespeare alive in the theater office, by celebrating the Bard's birthday.

The art of public speaking! — as Joe Petrocelli counts the seconds until his speech is over with.

Steve Scrobe receives encouragement during his oral presentation.

Mrs. Shea finds herself in the middle of a heated debate in English Literature.

"Now this is the type of English I like," says Bruce Tronolone to Mr. Barthel.

Miss Stolworthy keeps her class moving with a discussion.

"Esa mapa de Espana es muy grande", exclaims Mr. Norda, as Pete Sammis, Gerry Cronin, and Peggy Bolger look on.

Language Department Offers Spanish and French

The Language Department, headed by Mr. Joseph Radlhammer, not only plays an important role in daily living here in Holy Family but will in the future as well. Holy Family recognizes this importance and therefore requires students to take two years of a language. There is an Advanced Placement Program in French for those who wish it.

All learning is not accomplished in the classroom alone. Besides the Language Labs many class trips were taken to Europe and Canada. These visits abroad enabled students to have the experience of a lifetime. Seminar Day, too, meant language enrichment.

Tim Flood begins his Spanish dialogue as Mr. Norda helps Chris Tuohy and Pat Roach prepare theirs.

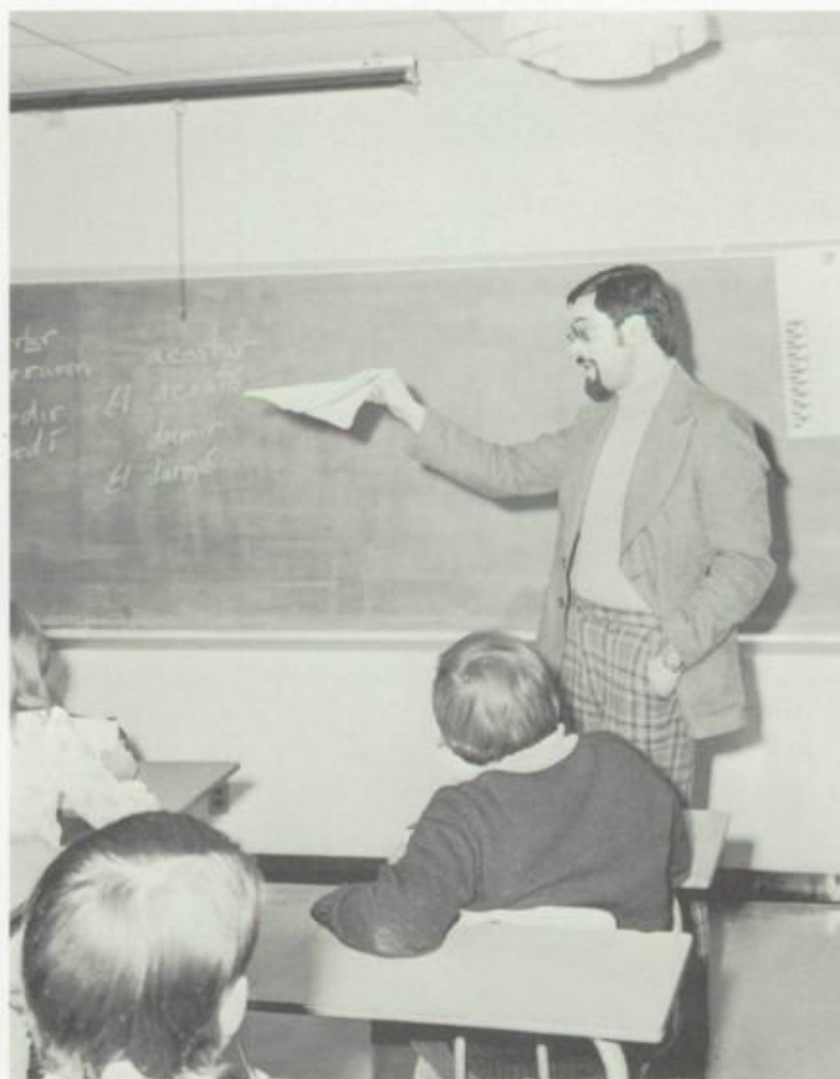

Sister Beatrice Blackwell narrates a famous French Epic to her pupils.

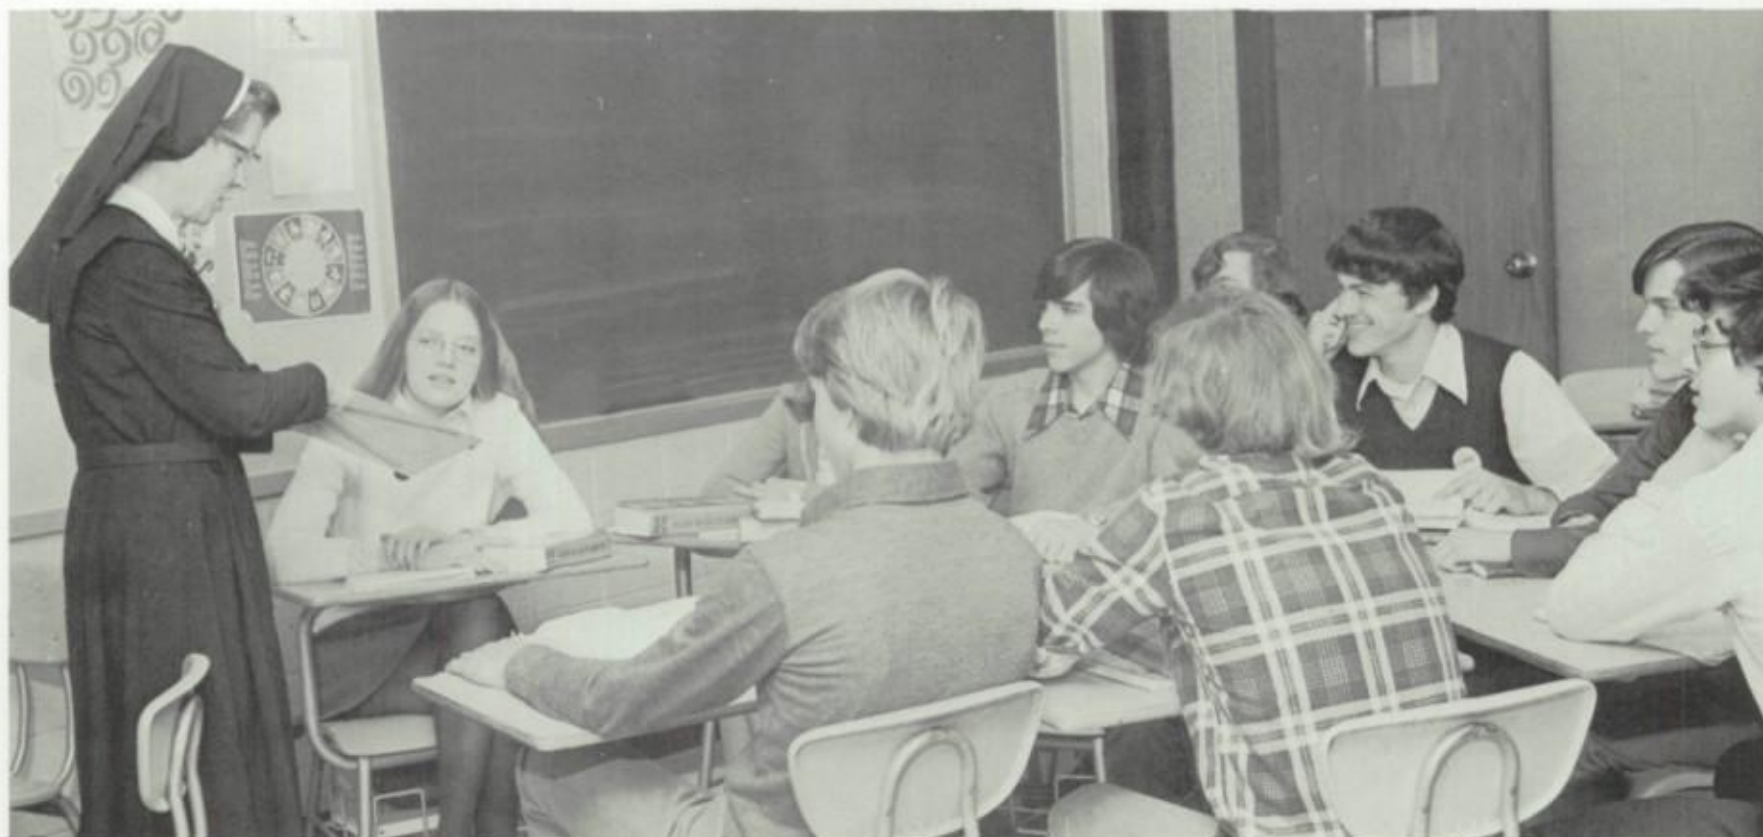

Sister Mary Magdalene's class participates in French Conversation.

"Now what do we have here?" asks Marie Giambalvo and Leon Harris to their French Class.

Taking a breather, Mr. Cassase demonstrates the technique of making a paper plane.

Sister Imelda's advanced math class listens attentively as Sister explains the Unit circle.

Courses in Math Now Emphasize Practicality

As it has always been the case here at Holy Family, teachers in the Math Department attempted to provide students enrolled in its courses with a practical knowledge of mathematics along with college prep programs open to all qualified students.

Sister Imelda chairs this department. . . and is ably assisted by her dedicated faculty members. Generally, students who wish to have a three year sequence in Math take algebra, geometry and trigonometry. In their senior year these students usually continue their math with pre-calculus, analytic geometry, advanced algebra and trigonometric functions.

For students looking for more practical applications of math, such courses as consumer math and math for science are available. Students who are having difficulty may always use the Resource Center where a faculty member or more proficient student is there to help them with their problems.

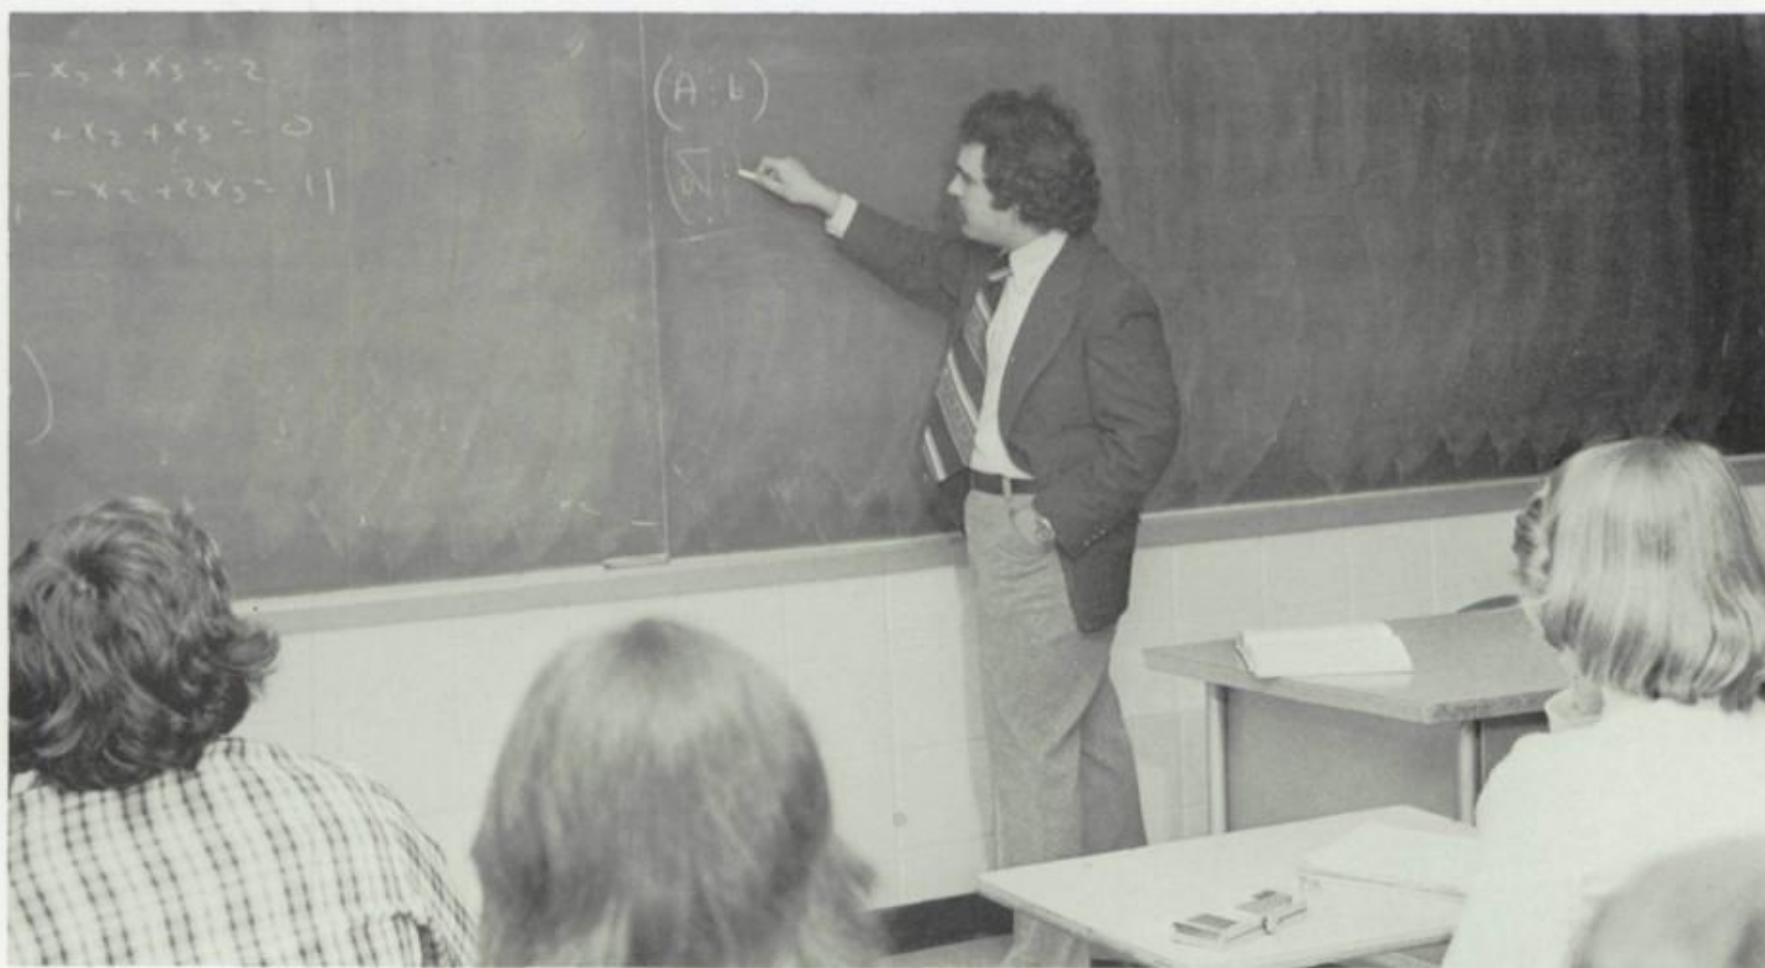

Sister Jude, "dedication personified," as Brian Delaney listens attentively.

Joanne D'Emilio and Jo Mary Cohn concentrate on Analysis.

Mrs. Zully begins another day with her own explanation.

Mr. Calluzzo — Holy Family's own answer to Einstein.

The hard work of the students is self evident to the audience.

Conducting music requires deep concentration as shown by Mr. Nardotti.

Music is Created by Hard Work, Dedication and Practice

Anyone who has been down in the Music Area any time during the day, knows that it is a very active area. Students' experience range from beginners to more advanced, and it is common to see two or more students working together on a difficult piece of music. Under the direction of Mr. Nardotti, chairman, students who are interested in learning to play a musical instrument can learn from other students.

Mary Vetter is an example of true dedication.

Joe Lynch represents the trumpet section.

Eileen Lovett's specialty — the French horn.

Miss Seubert warms up the Chorus with "Do Re Mi".

Mr. Lardner prepares for another thrilling ride with Paul Devitt and Mary Vogel.

Driver's Education Aims for Qualified Drivers

Under the direction of Mr. James Lardner, Holy Family held Driver Education classes. Three sessions were held throughout the year, during the fall, spring and summer. These classes were well attended.

The primary objective of Drive Education is to promote safe and defensive driving. This is achieved through movies, lectures and practice driving sessions. Movies ranged from the Smith System to First Aid.

This year close to one hundred twenty students enrolled. Upon successful completion of the course, the students may take their road test. Drive Education enables students who pass their road test at the age of seventeen to receive a senior license.

As the blood rushes to your head, "you learn".

Two hands are better than one.

Boys Phys Ed. Proves That Strong Bodies Are Just As Important As Strong Minds

The boys physical education department has developed a program that every boy in the school follows from freshman to senior year.

The students are classified according to their strength, speed, agility and endurance. From freshman year to junior year, the boys go from tumbling to volleyball and from badminton to basketball.

During the boys' senior year, basic bowling and golf courses are taught. Both of these classes are taught off school grounds and the appropriate transportation is provided for the students.

As a result of the activities provided by this department, the boys have a widespread understanding of physical education which they will value for the rest of their lives. This department is chaired by Mr. Charles McGuckin.

Bill Krause showing off his style.

Girls Phys Ed. Emphasizes Lifetime Sports

In Girls Physical Education there are six time divisions during the school year. Many different, interesting courses are offered in each of these divisions. Through these courses, the girls find their individual interests and strengths.

The Freshman girls must take Introduction to Physical Education plus five more additional courses of their own choosing. The Sophomore and Junior must take four courses and the Seniors must take three courses. They may take them either during the school day or after school as an elective.

Some of the more popular courses offered during school are: Tennis, Volleyball, Gymnastics, Modern Folk and Social Dancing, Archery and Softball.

Some of the most popular courses offered after school are: Golf, Fishing, Yoga, Judo, Backpacking, Skiing, Horseback Riding, Flag Football, Cycling, and Slimnastics. This makes other Academic courses available to the girls taking this program.

Janet Karasek practices the art of dribbling.

Cathy Cawley is off and running.

Sister Mary Madden leads a class discussion on the expression of the love of God in our lives.

Religion Department Places An Emphasis on Christian Principles in Daily Living

The Religion Department here at Holy Family is unique. There are many courses offered that are aimed at the individual. The chairman of the department is Sister Nora McNiff. Added to the Religion Department staff was Sister Mary Madden who did her doctorate studies in Church History.

The Religion curriculum is based on the Apostles Creed. Since the creed itself is a set of statements which were formulated because of the life experiences of the early Christian community, the Religion courses are designed with attention to the life experiences and questions of the students themselves. Only when the genuine relationship between a creedal statement and one's own life is seen, can any religious truth become internalized and affect a change in a person.

The student through the courses taken learn to communicate with others. Some of the more popular courses are Theology of Death, Theology of Play, Psychology and the Believer, Why Woman, Marriage and Fieldwork. In the Fieldwork course there are four areas to choose from, such as Suffolk State School and Sagamore Children's Center.

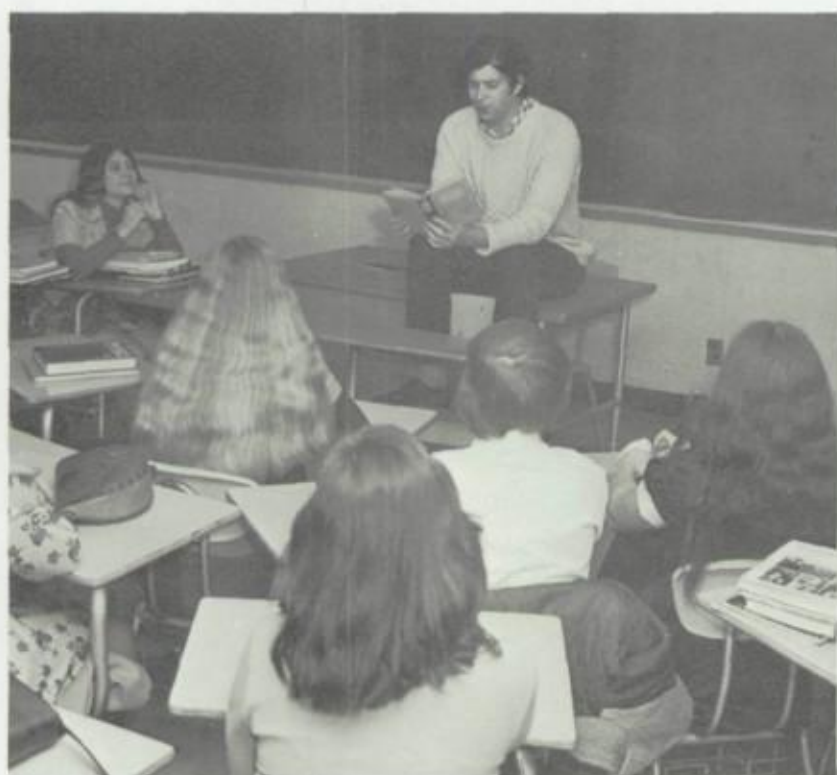

Mr. Reed points out to the students in his field work class when and where they have to go!

Peggy MacEvery explains her beliefs on the topic of life after death as Mrs. Anderson listens attentively.

"For Seniors Only." Mr. Seifert's marriage course is attended as shown by Jane Calabrese, Trecia Schmitz, Craig Harrington, Sue Billia, and Celine Gathercole.

Patty Matos listens closely to Mr. Anderson as he reads a passage from the Bible.

The popularity of Religion courses in H.F. is proved by one of Miss Kramers classes.

The Science Department Unveils the Wonders of the Scientific World

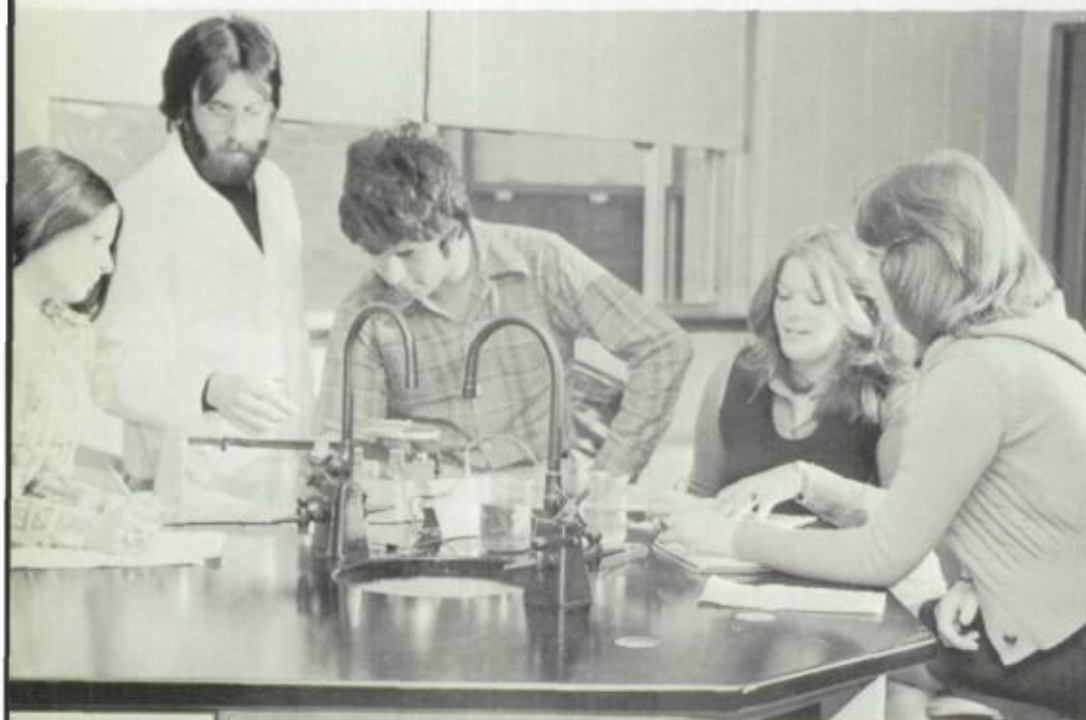

The Suffolk Academy of Medicine and the Explorers Club at Huntington Hospital are only two of the outside organizations that are called upon to supplement the "learning process" that is carried on in Holy Family's Science Department.

Sister Agnes Scheuermann chairs this department and has working with her several progressive science teachers who believe in learning through doing, such as in Embryology the students raised ducks from eggs and in Electronics they put circuits together.

The students do progress from molecules to energy on simple machines as they go from Freshman year to Senior year.

Barry Gillin mans his microscope.

Cynthia Ragusa, Mr. Cronin, Mike Zarraro, Anita Tittman, and Colleen Young collaborate on a chemistry experiment.

Guido Van Der Meeran and Pat Pizza balance things out on their scale.

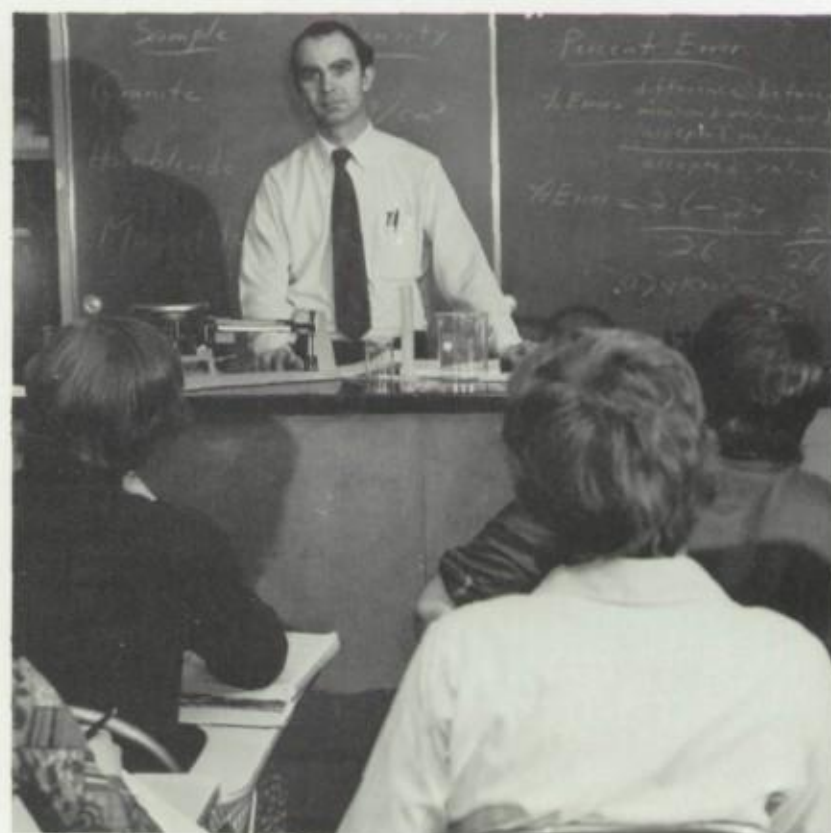

Sister Agnes Scheuermann shows off the department's electron demonstrator to Evelyn Stelmack, John Von Kaenel and Steve Schmitt.

Mr. Schweyer and his students diligently work on a lab.

Sister Elizabeth Geraghty performs another titration experiment.

Mr. Lambert explains the earth's geographical makeup to his class.

Mr. O'Toole, Mary Egan, Donna Pribish, Patty Welch, Barbata Hess, Lisa Mazzafaro explore the wonders of our heritage.

Sister Mary Eileen Kenny, chairman of the Social Studies Department, and the department members agree this year that they attempted to relate students to the subject and to make each class a living laboratory.

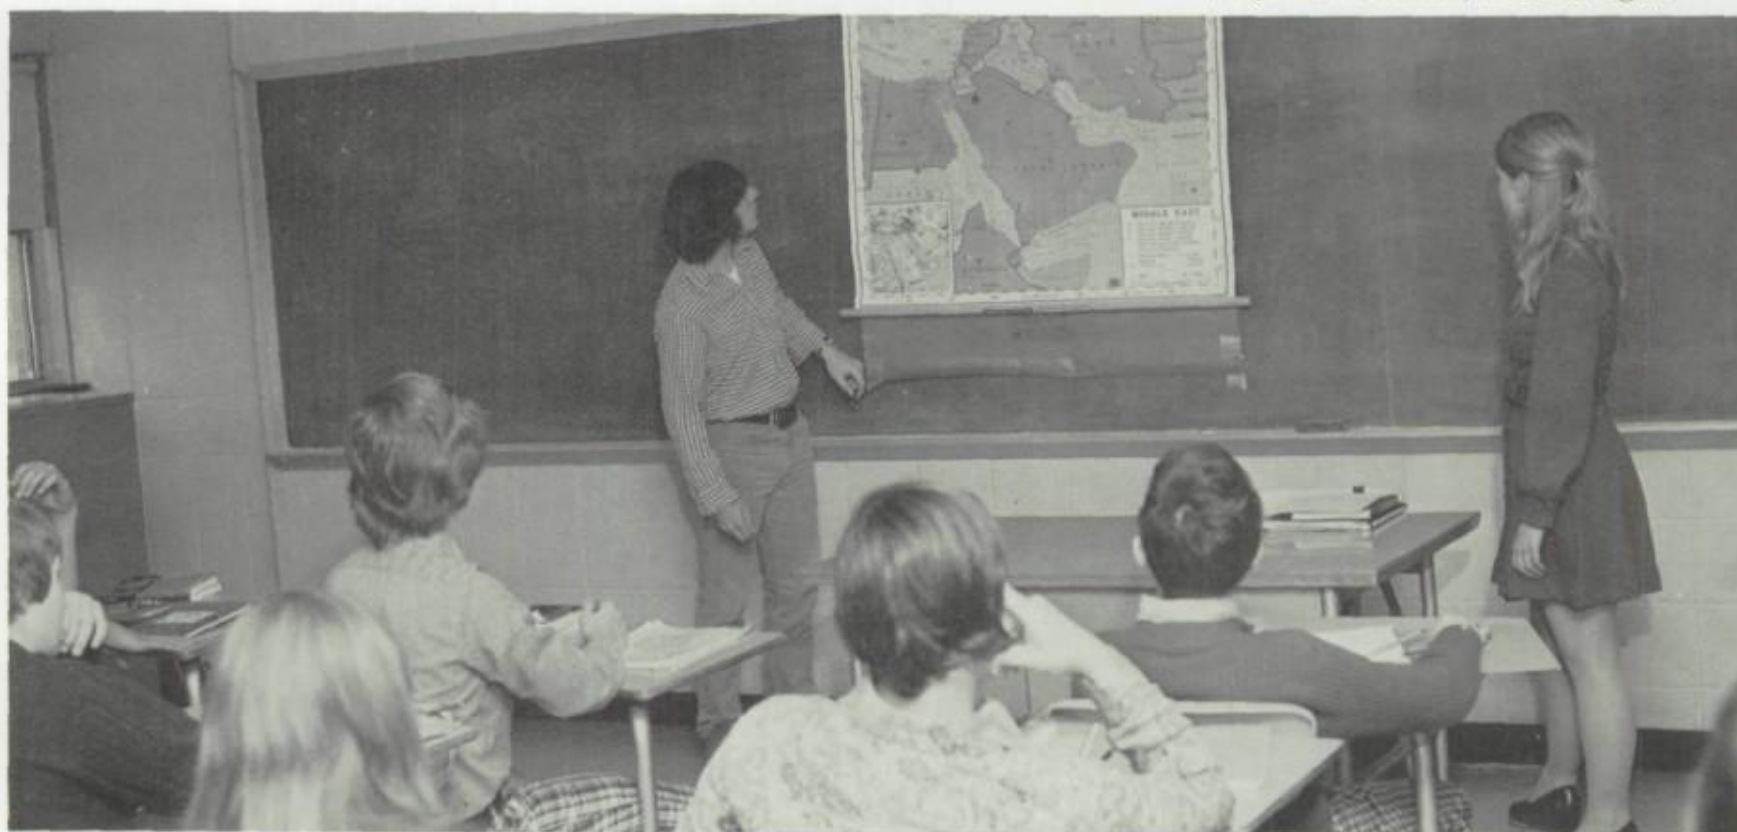

Excellent use was made of guest speakers in such classes as Criminology and History of the Twenties. The daily newspaper was used in World Today.

There is a wide variety of course selections for each year ranging from Asian Studies to Psychology. And for those who wish to probe more deeply into matters relating to Social Studies there is independent study and research work in the Resource Center.

The Social Studies Department Answers the When's, Where's and How's Of our Culture and Those of Other Civilizations

"I found Greece," says Mr. Kovaleski, to Ed Rovegno.

Mrs. Gladysz and her class learn the wonders of the Middle East.

Tom D'Andrea, Martha Greene, Julie Fitzsimmons, Francine Hunt, Beth Ambrose, and Terry Dragone listen attentively to Mrs. Neilson.

Mary Falaski jokingly gives the world to Fran Purto and Deb Denimark.

Band of Nine Dedicated Women Form H.F.'s Clerical Staff

This year has brought about many changes among the clerical staff members. Father Kelly's secretary, Mrs. Mary Lou Donnelly and the assistant principals organize and systemize the work to be done by the various secretaries.

As in the past, the women who take care of all the school records, who do the necessary typing, whose voices are heard over the telephone evidence loyalty and dedication to the entire Holy Family Community and to them is owed a day of gratitude for work done cheerfully, accurately and punctually.

The Cafeteria Staff — Dedication Personified

Amid the yelling, screaming, pushing and shoving, the cafeteria staff provides its services for the students of Holy Family. Under the direction of Mr. O'Hara, the cafeteria staff prepares and sells lunch foods ranging from hamburgers to pizza to club heroes. They really come through with flying colors when it comes to providing snacks for mid-morning hunger pangs and lunch for famished students. They work many dedicated hours just to serve us and clean up after us. In addition, the cafeteria staff helps us in time of need at various school functions above and beyond the call of duty.

11-19 Chaplain's Office

Fr. Kevin Flaherty
Chaplain

Our school president Jim Murphy, as testified by Gary Walls, really went to classes besides dreaming up schemes to make "75" the best year ever.

Anne Marie Reilly, our senior class president, walked her thousand miles" at H.F. when poster time came around.

SENIORS

Our journey of a thousand miles through Holy Family has come to a close. It ended with our Senior Year and Graduation. This past year was our most anxiously awaited one. It has come and now it is gone . . . never to come our way again.

But what has gone? What is all over? Four long hard laborious years of courses we hated; teachers we disliked, cramming for exams, and days with no free periods?

Remember though, when life was all you ever dreamed it to be! . . . Interesting courses, dedicated teachers, days with only one or two periods, club meetings running smoothly, and getting to work ten minutes early.

Remember how we laughed together, cried together, felt compassion for one another, worked with administration, fought with administration, cheered, screamed, and experienced victory upon victory, upon victory all as a class!

And so for a number of reasons, for the lessons we learned, for the friends we made, for the good times and the bad, for the priceless experiences we have had here, we are reluctant to leave

Shall we call this a typical advisory period . . . or just breaking out for a change?

Phil Byrnes and Sue DiStasi reminisce about those "good old days" in freshman year.

DEAR PAULETTE AND TOM,

Death is the most profound and significant fact of life. It lifts us up from our earthly journey into the realm of God's Eternity.

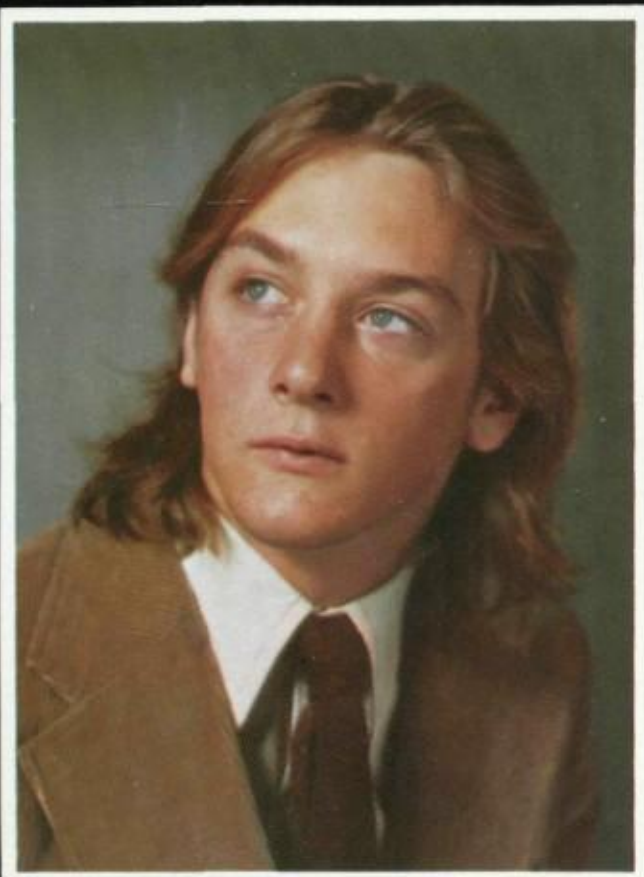

You ended your journey in life just a short time before we ended ours at Holy Family. We see your empty desks and we miss you. We know you should be here in your cap and gown, and we miss you. WE ask your friends, your closest friends, about you and they say:

"Tom would always leave people to try to figure him out. People would say he was reckless but he was only living his life. Each day was a new adventure and I was glad to be a part of it." . . . Pat Giery

Paulette was a non-conformist but she possessed a rare quality. She never held what you stood for against you. She was friends with everyone at H. F. . . . Sue Toes

Time is precious and it does not matter how long we live but it does matter how we live. Father Kelly said this in the homily of the Senior Mass offered for you. We know now that this is what you want us to do. You are in our prayers. Please keep mindful of us.

Your Class of '75

Yes we must always remember the life we led here at H.F. and carry it on with us to wherever our journey leads us — for that is what we begin now — another journey of a thousand miles.

ACTIVITIES

The entire executive board smile at one of their weekly meetings, as Sister Theresa Maloney listens attentively. The board members are Denise Armstrong, Cathy Barrett, Mary Beth Vetter, Tom O'Keefe, Anne Marie Reilly, Jim Murphy, Sister Theresa Maloney, Pat Matos, Ellen Dorney, Joanne D'Emilio, Cindy Wilson and Bob Grant.

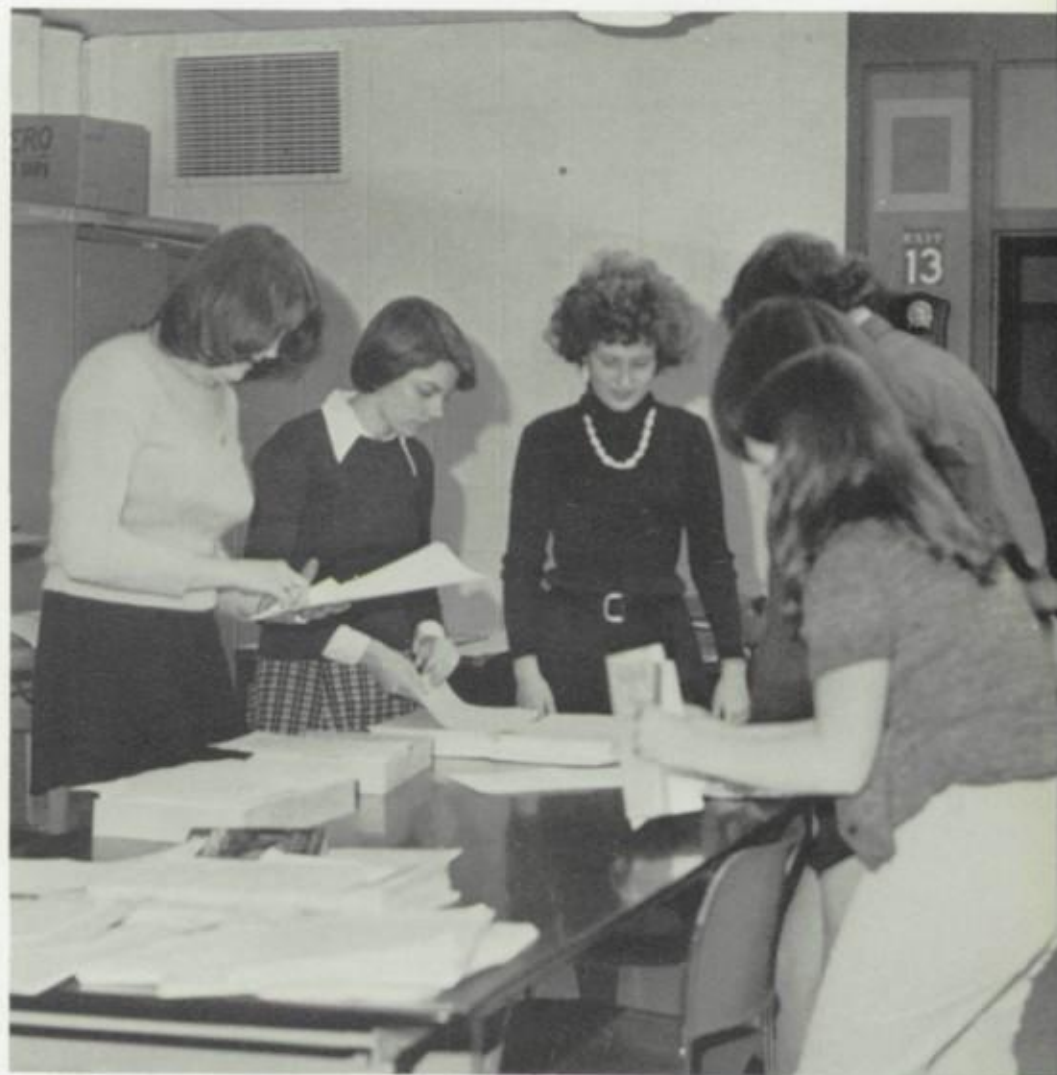

Father Kelly shares his views with a representative from Maria Regina H.S.

S.A.C. — The Backbone of School Activities

Under the supervision of Sister Theresa Maloney, members of the Executive Board and General Council are urged to bring about student participation in several administrative responsibilities.

S.A.C. co-ordinates the intellectual, social, and community aspects of Holy Family through various committees such as the Academic, the Social and the Community Involvement Committees. Various functions undertaken by S.A.C. include the Pancake Breakfast, Flea Market and the very successful Sadie Hawkins Dance. Other activities include the Fifties Dance, Senior Show and Freshman Orientation.

One of the many jobs of S.A.C. being completed by, Ellen Penza, Denise Berthiune, Joan Reinhart and other S.A.C. members.

The orchestra, chorus and faculty join together on a rendition of Handel's *Hallelujah Chorus*.

Orchestra — Where Harmony Begins.

Holy Family's Orchestra is a community within the community of H.F. Under the direction of Mr. Michael Nardotti the members interact to create music to enrich Holy Family. The orchestra's presence at almost every school function has been greatly welcomed. The orchestra performed at the Christmas, Pops and Spring Concerts. Many hours were spent practicing for the school musical "Guys and Dolls" and their extra touch added to the success of the show.

Due to a scheduling mixup, the members of the orchestra meet on a rotating schedule to practice. Since it is rare that all the members can get together during scheduled class time, many before and after school rehearsals are held, especially in preparation for the concerts and the Fine Arts Festival.

Mr. Nardotti, "alias Lawrence Welk" keeps time with the orchestra.

The Stage Band — From Benny Goodman to Chicago

Every Friday afternoon the Holy Family Stage meets to practice their music, which encompasses everything from Jazz, to Rock, to the Blues. Mr. Nardotti is in charge of conducting the group, along with Lidia De Soto and Tom Kelly as assistant conductors. The band plays at many functions including the Flea Market and the Pep Rally. In the past two years the Stage Band has gained much popularity with the H.F. community. Part of the band's popularity is due to the tremendous amount of hard work and dedication which they put forth.

Claire Hartnett, Anna De Soto and Ann Zopf the flutists of the future.

Miss Suebert takes command of the Chorus.

The Chorus Reaches New Heights in Music.

Holy Family's Chorus is a subject elected by students who are interested in singing with a group. The Chorus is involved with many different types of music from classical to popular. The members spend time practicing their songs during class and after school. It is each member's responsibility to learn the music so that he or she may participate fully in the concerts. The Chorus has also performed at various school functions such as the Christmas Liturgy.

Two new groups have been formed under the direction of Miss Suebert. The Madrigal group consists of students who perform acapella (without piano accompaniment). This group originated a few years ago but many of its members have joined for the first time. The other group has just started this year. They are the Choraleers and they are best remembered for their rendition of a medley from *Godspell* performed at this year's Spring Concert in May.

Miss Suebert uses her talents to draw out the greatest potential in each student.

Members of the Mixed Chorus pay close attention to what is going on.

The Future Teachers Club Learns New Techniques.

The Future Teachers Club was conducted this year under the direction of Mr. Joseph Radlhammer. This club is designed for any student who is already thinking of a possible career in teaching. The members strive to gain experience that will benefit them in their future endeavors.

When asked if there is any real future in teaching, Mr. Radlhammer shook his head with a definite "yes." Members of the F.T.A. go on a full day excursion to C.W. Post every year to sit in on education courses. Those students who have joined the club have found it to be both interesting and definitely worthwhile.

The Folk Club Encourages Communication Through Song.

The Folk Club is responsible for planning the music for the liturgies at Holy Family. Headed by Miss Fitzpatrick, the singers and guitarists meet once a week to prepare their songs for the liturgies. Co-leaders of the Folk Club are Mary Beth Vetter and Pat Matos. Folk Group also brings its music to other functions, such as the Girls Sports Banquet, and the Pops Concert. This year the members continued their traditions of singing Christmas carols at Suffolk State. They have also had a song leader at the Masses to get more of the students and faculty involved in the songs. Many members have been involved in this club since their freshman year, and each year more students become involved.

The Home Ec Club is basically an extension of the Home Ec Department. This club is held during the week after school. Miss Costello heads the group.

The Home Economics Club prepares young ladies to be successful homemakers and young men to be survivors on their own. Classes in sewing, cooking, family life and Child care offer practical experience to future wives and mothers. Other courses, such as Fashion design and Bread Baking to train students for possible professional careers.

The Home Ec Club takes pride in preparing the young ladies to prepare a delicious and nutritious meal and make bread without preservatives.

Terry Dragone stares in utter amazement at Tom Tuite's, Mary Beth Vetter's, and Jim Wurzler's ability to roll bread.

Mary Murray and Denise Forman never knew that sewing could be so amusing.

After a long afternoon of baking, the club is well pleased with its accomplishments — fine baked bread.

Right To Life Marches On Washington D.C.

The Right To Life group, otherwise known as L.I.F.E. has definitely been an added plus to the school community. L.I.F.E. stands for Life Is For Everyone. This meets every "A" day in the third period in the library. Sister Blanche is the moderator of the club. The purpose of the club is in a broad sense to instill awareness, articulation, and action for their life now and in the future. The club has a reference file on many subjects ranging from abortion and death to American Indians and P.O.W.'s.

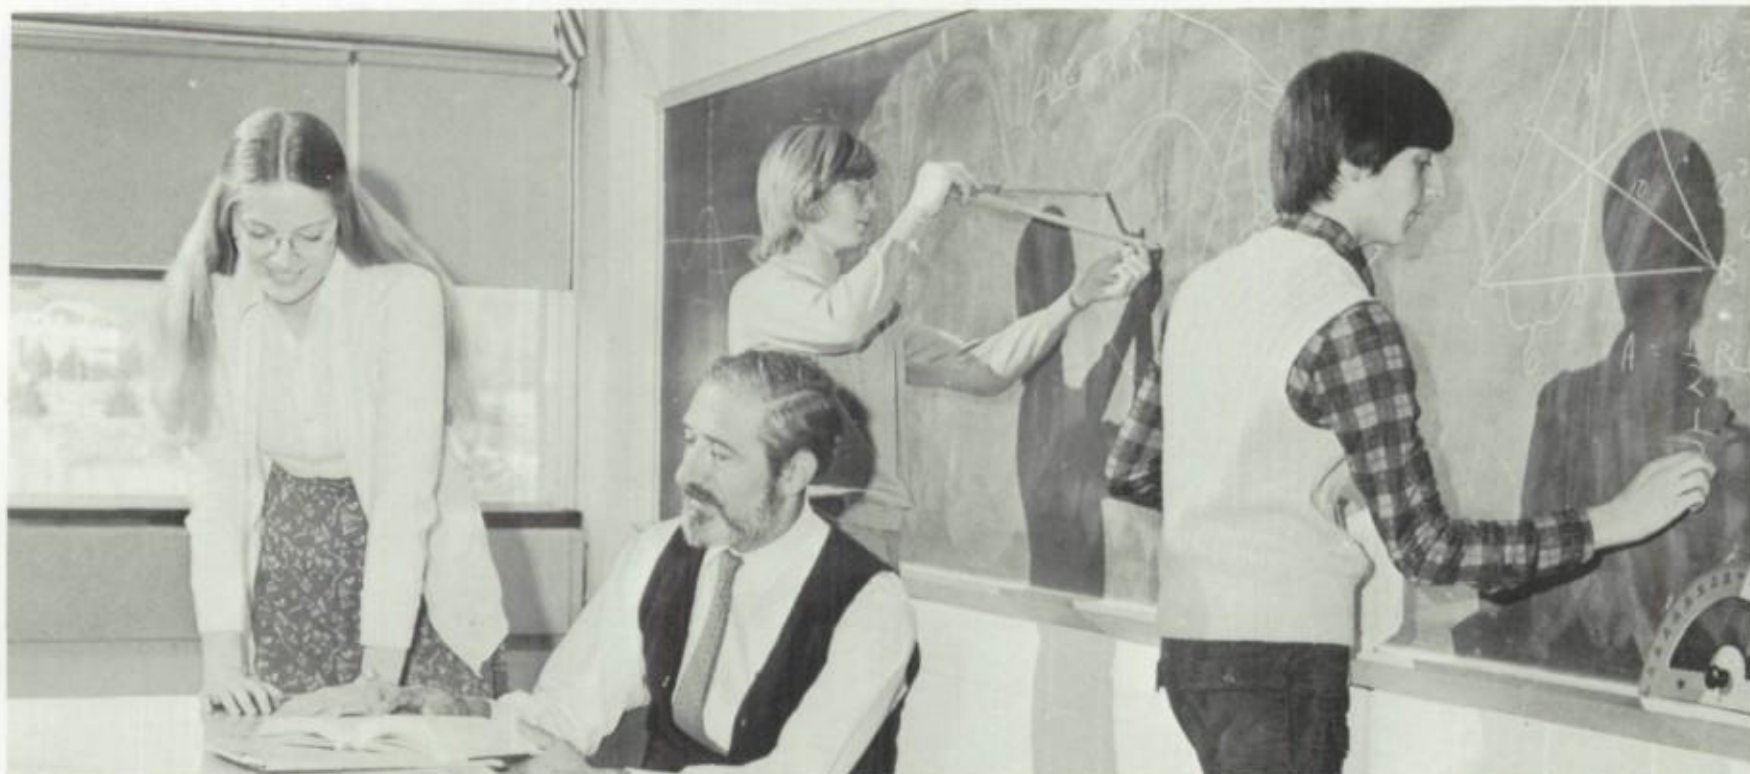

This year on January 22, 1975, Life sponsored a trip from school to Washington D.C. for the Right To Life March. This march took place at the Capitol Building on the second anniversary of the Supreme Court decision and was open to the whole student body. The Life members helped defray the cost by setting up a booth at the December 14 Flea Market. They also held several bake sales. Other activities of the club were showing slide presentations in the library on such topics as abortions, life, and other matters of today. These presentations were open to both faculty and students.

Members of the Right To Life Club: Jane Blackburn, Margo Leto, Pat Doyle, Barbara Walthers, Mari Crosson, Sister Blanche, Kathy Luparello, Cynthia Billone, and Maureen Murphy.

The Math Club — Where the Mind is Stimulated

The Holy Family Math Club has attracted many dedicated students this year. Although most of its members are underclassmen and previously inexperienced in Math meets, they have fought a strong battle against the tough competition of Walt Whitman, Cold Spring Harbor, Half Hollow Hills and Huntington High Schools. Their record of 0-5 does not show their true strength and hope for future years. Along with all time starter, junior Walter Smith, leading in points scored, our Math Club has many strong performers. The regular starters on our team are Ann Zopf, Frances Castellone, Karen Dunne, John Vander Meeran, Steven Engeman and Walter Smith. Working under moderator Mr. Milazzo and president Steve Engeman, the Math Club has five meets annually with meetings held once a week on Thursday afternoons.

The Model Government Society — Our Hope For The Future

Every Thursday the Model Government Society has a rousing meeting discussing the various aspects of government. The club is moderated by Miss Fitzpatrick. At the meetings, the members get together and "rap" about various types of governments and how they work. They try to understand the role governments play in society, the world and in peoples' personal lives. The students study many issues including Parliamentary Procedure. The club members learn by playing the various roles of government. This is done as each student acts as senator or representative. This year the organization went to John F. Kennedy High School in Plainview for a Model U.N. session.

Bob Butler, John Gillin, Pat Matos, Bio Joe Sommers, John Hartley and Bob Grant catch up on their scientific reading.

The Science Club Made Great Discoveries in the Past Year!

The Science Club is a group of students who get together on every other Wednesday to delve into the various areas of science. The club is moderated by Mr. Sommers with Pat Matos, president. This year many events and activities were planned.

During seminar day the club offered a course on blood pressure entitled, "The Silent Killer". The course included a film and the chance to have your blood pressure checked by either Mrs. Foell or Mrs. Koster, H.F. school nurses. Many field trips were made to such places as the Museum of Natural History, Vanderbilt Planetarium and Cold Spring Laboratory. After each meeting some of the members who were interested in medical careers, went on to Huntington Hospital to participate in the Medical Explorers Club.

Mr. Sommers reviews fascinating information about the elements to Pat Matos and John Hartley.

Bob Butler, Bob Grant and John Gillin wonder, will the "mad scientist" strike again.

The music is fast and lively. The food is hot and savory. The people are warm and friendly. Much enjoyment is derived from learning about the cultures of the Spanish Countries.

Fiestas! Dancing! Singing! Field trips to the city! Special Spanish meals at Christmas of Chili con carne, paella, and Spanish rice! These are the wonders the students have experienced in the Spanish Club, headed by Sister Eileen Kelly. This club has broadened interest because of the many people involved in it and the enthusiasm with which they participate. Singing proves this enthusiasm!

French Club Brings France to America

The French Club moderated by Sister Beatrice Blackwell is enjoyable for all of the students. This year the club was off to a late start and did not conduct its first meeting until March. They meet twice a month on every other Thursday. Once it was underway the members experimented with different recipes for French Gourmet Cooking. Belonging to the French Club also means going on many trips. These included days at the Frick Museum, the Metropolitan Museum of Art and the Cloisters. During their visits to a French Restaurant everyone was able to sample delicious gourmet foods from France.

The Riding Club Jumps To New Heights

The moderator for the Riding Club is Sister Alice McVey and the president of the club is senior Lori Steo, who has been a member for the past few years.

This year the Beginner and Intermediate groups went to the Babylon Riding Academy. The Advanced group went to Knoll Farm where they concentrated on their jumping techniques.

The Riding Club meets every Tuesday during the spring and fall. The club attempts to give each individual the knowledge of horsemanship and riding safety, but most of all enjoyment of the sport.

The Award Winning School Newspaper — *Trend*

Trend, Holy Family's newspaper, has the task of keeping the school community informed of events that make news. With Miss Margaret Stolworthy as moderator, the staff members work alone or together on different subject matter that will capture the attention of all readers. This year's co-editors Margaret Bacheson and Kathy Scanlon.

Along with the usual columns written in English, this year, some articles were written in French and Spanish. In this way, students learning these languages can test the extent of their knowledge and apply that knowledge in a meaningful way. Another new undertaking of Trend was the poetry section. It provided a place where the poetically-oriented could share their thoughts with the school community.

This year Trend received three awards that were given by the Long Island Catholic for various aspects of journalism.

The School Year's History is Told Through Much Dedication And Hard Work

The basic purpose in the mind of each and every yearbook member this year was to bring about a real picture of the new look at Holy Family and to produce this image through copy and photography in the 1975 SYMBOL.

This year's editors, Tom Tuite, Bob Wessmiller and Jim Wurzler wanted to create a book that was a true symbol of the students, parents, faculty and the administration, the whole Holy Family community.

Every Tuesday and Thursday afternoon, the staff gathered behind the doors of Rooms 128 and 130 and earnestly worked on photography, copy and finance.

The "75" SYMBOL was born in June 1974 and the staff members began formulating ideas throughout the summer right up to June 6, 1975 — yearbook day.

Chargers have it — Coach of The Year, Team of The Year, Player of The Year

The Varsity Football team coached by Mr. McGuckin, Mr. Holzapheal and Mr. Sondrecker was an outstanding team. This year the team took first place with a 9-0 record. They won the Catholic High School Football League (CHSFL) title. Also Mr. Charles McGuckin was named coach of the year.

To be a part of the team one must have coordination, speed, intelligence, strategy and determination. Football is more than just a sport. It gives one a feeling of achievement and self reliance. The sport itself educates one.

The practices are by far "an easy workout."!!! Each player must work equally as hard as his teammates and most of all they must work together.

The most outstanding player this year was Tom Donovan, who is the leading high school scorer in the Metropolitan area. He also won the Hansen Award.

Nine players from H.F. were chosen by the Catholic League coaches for the Catholic Football Stars. On the offense was John Scully, Chris Brown, Leon Harris, Tom Donovan and Ed Cooney. On the defense was Gerry Reichert, Pete Klement, Mike Cleary and Rich Heimerle.

Newsday's 13th Annual First team picked Tom Donovan as Back and Pete Klement on the Line.

J.V. Football Ends With A Record Of 4-4

The J.V. team started off the season with great hopes and successes under the coaching of Mr. Kahrs and Mr. Patterson. With strong starting players such as fullback, Dennis Antola; halfback Jim Sheenan; wingback Ray Sanfratello; end, Sean Broesler; quarterback, John O'Neill.

Their first game had them meet their long standing rival, Walt Whitman High. The Chargers crept from behind to a close victory of 28-26. Their second challenge came with St. Dominic's resulting in a hard earned victory for H.F. with a score of 12-6. The third game with Maria Regina ended with a tie. This saved the day for Father Kelly declaring his loyalties.

The final scoreboard for the year listed 4 wins, 4 losses and a single tie.

Coaches Produce A Strong Freshman Team

Mr. Bill Harkins and Mr. Bernie Godek, coaches of the Freshman Football Team this year, are proud of the team's 4-4 record. While such a record did not make a trophy winning team, it did produce prospective J.V. heroes.

Captain Dave Benedetto and Sean O'Donnell showed great talent on the field. Sean O'Donnell was awarded the most valuable player. Not to be overlooked as outstanding players, too, are Bob Welden, Matt D'Emilio, Danny Romano, Danny O'Connor and Dave Edwards.

Needless to say Mr. Kahrs, Mr. Patterson, Mr. McGuckin watched the Freshman teams games with a real scout's eye for the future.

Over The River And Through The Woods To Charger Victory We Run!

Cross Country is a lonely sport, each man is a team by himself. It is a sport that gets little recognition or publicity. However our Cross Country team labored faithfully day after day in preparation for their meets. The Varsity team had a winning year with a 7-4 record. The J.V. and Freshman teams had promising years also. The J.V. and Varsity teams coached by Mr. Bailey and the Freshman team coached by Mr. Lambert, ran hard against their opponents. One of the important varsity races was a team relay against Eastern Military Academy in which H.F. placed first. The height of the season came when the boys defeated St. Pius which was previously undefeated in its league. Congratulations are due to Mike Hickey who was named Most Valuable Player for the season.

The Golf Team Puts Through Another Season With Success

The Holy Family Golf Team, coached by Mr. Michael Kennedy, had another successful year. Team members worked hard before the season began to prepare for the tough competition. Holy Family's home matches are played at Huntington Country Club and Crab Meadow Golf Course. Away matches are played at courses all over the Island. Edward Sullivan, Brian Wynn and Mike Zazarro are the only returning members from last year's team. The team has been the defending league champions for the past three years and are hoping to continue in this tradition in the years to come. The six starters on each team are divided into three groups of two men each. A point is awarded to each two men for a victory. A point is awarded to the winner of each individual match during a game. The season begins in mid March and lasts until the end of May.

Newcomer Mike Hickey Ignited The Spark That Charged The Chargers

The Holy Family Varsity Basketball team, coached by Mr. Bob Sacco, finished off the season with an overall record of 8 wins and 10 losses. Despite the final score, every game provided some fine performances for those who came to watch them.

The chief winning games proved to be — the Chargers versus the Chaminade Flyers with scores of 65-49 and 60-42. Chris Ruane and Mike Hickey were voted Most Valuable Player for their outstanding performances during the season.

The Junior Varsity Basketball Team Shows Promise For Next Year

Nine wins-nine losses! This was this year's score for the Junior Varsity Basketball Team under Coach Tom Murtaugh. Of course Mr. Murtaugh is proud of his team's promising strength. Billy D'Allesandro, Most Valuable Player, had a great season along with Dennis Davidow and Brian McKenna.

This year's highlights were games the Chargers played with Chaminade and Holy Trinity, where the team used their "run and gun" offense.

Mr. Murtaugh believes the J.V. team members will contribute their share for next year's varsity team.

Freshman Shot for the Stars

This year's Freshman Basketball Team showed great team spirit and talent. Mr. Tom Sieminski was their new coach this year. Tom Muldowney, a forward, was the team captain. One of the strong players of the team was Peter Schmitt, the center. Pete was voted M.V.P.

The team faced a great deal of competition and still ended the season with an impressive record of seven wins and nine losses. Two of the more impressive games were against La Salle and St. Dominics in which the freshmen defeated their opponents by more than ten points.

Wrestling Team Takes Second In The State!

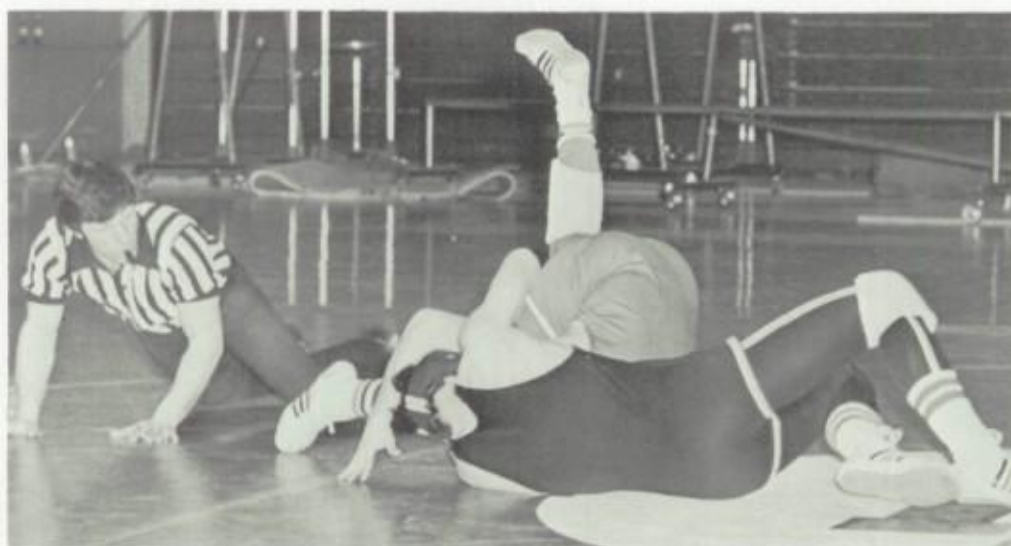

This year, the Varsity and J.V. Wrestling teams were coached by Mr. John O'Mally and Mr. Eddie Russo. Despite a team overall record of 7 wins and 8 losses, the team had some very impressive matches.

Along with the regular matches, the team placed second in the N.Y. State Private and Parochial Tournament. Some of the exceptional team members were Peter Klement and Al Rose who were State Champs in their respective weight classes; Jim Flynn and John Mahon, second; and Sean O'Brien, Mike Savello and Greg Walsh, third.

On the Varsity Team, Greg Walsh and Sean O'Brien received trophies for the Most Improved Wrestler; Al Rose received the Coach's Award and Peter Klement received a trophy for Most Valuable Player. On the J.V. team, Chris Kelly received a trophy for Most Improved Wrestler and Kevin DeCoursey, a trophy for Most Valuable Player.

Trackmen Dash To Victory!

Mr. Bailey, the coach for track was pleased with the turnout for both the Winter and Spring teams. Mr. Bailey says that the strength of the Spring team lies in the underclassmen such as Jerry Cronin, Frank Neary and Dan Maroni. The seniors supporting the team are Bob Michel, Dennis Maloney, Tom Donovan, and Steve McKeown.

Bob Michel was named M.V.P. for Winter Track. Bob ran the 60 yard High Hurdles in 7.7 seconds, this was one of the outstanding performances of the season. The team finished the season with 39 award winners.

Both teams, Winter and Spring should be congratulated on their dedication and successes.

The Bowling Team Rolls Through Another Season

This years Bowling Team, coached by Mr. Kahrs has tried hard for that perfect game of three hundred points. All the team's members worked hard for perfect position and timing. The team also used specific patterns and routines in order to beat their opponents. Pat Meaney, a senior, was named Most Valuable Player for her contributions to the team and for her talent.

The H.F. Tennis Team Is A Smash!

"Ouch, it hurts," says the ball to Jim Clooney.

This year the coed Tennis Team had a great deal of talent and enthusiasm which led them to a very successful season. It was also the first year that girls competed on the team on the Varsity level. Karen McGuire and Mary Ellen Sabalis considered this to be a major breakthrough for themselves and were assets to the team's success.

The team, coached by Mr. Tom Murtaugh, put a great deal of time and effort into their practices, which paid off in great performances. John Breslin, Tony Carotenuto, Larry Malerba, Kevin McGuire, Mike Dougherty and Tom Tarantino were among the fine talent on the team. Despite the loss of five seniors, there is still much unexplored talent left on the team that insures an excellent season for next year.

"Where did it go?" wonders John Breslin.

"It was such an easy shot, so how could I miss it?" thinks Kevin McGuire.

Outstanding Batting and Pitching Abound in Holy Family!

Mr. Kahrs, as coach of the Varsity Baseball team was pleased by this year's showing. The team has a strong defense and is made up of ten juniors and six seniors. Captain Tom O'Connor, centerfield, Rich Heimerle, second baseman, Sean Dorney, shortstop and Bill Bienz, third baseman are heavily relied upon to aid the team. Saint Mary's and Maria Regina proved to be the stiffest competition, but the Charger spirit helped to make this an impressive season.

J.V. Bring Their Men Home in Style!

This year the Junior Varsity Baseball Team was coached by a 1971 alumni of Holy Family, Bob McLoughlin.

The team devoted their time and energy to their practices; the results were displayed in the games. To help their cause, the team showed a great amount of sportsmanship and enthusiasm during the season.

Next year's Varsity Squad should definitely benefit from the addition of such seasoned competitors. The team members can perform well in any challenge that will confront them.

Without a doubt, Mike Esposito will fire in another strike.

A Fierce Competitive Sport — Lacrosse

The Varsity Lacrosse Team this year was coached by Mr. Bill Harkins. This year's captain was Joe Carrizzo and co-captain was Ed Cooney. Ed played on the mid-field along with Bill Krause and Dennis O'Connor. With these excellent players the midfield was definitely one of the teams strong points. Other all stars players were Pete Klement, Sean Brady, Roger Wieland, Joe Carrizzo, Ed Cooney, Joe Fetzer.

Long Hours of Hard Practice Make a Good Team!

This year the Junior Varsity Team Lacrosse team was coached by Mr. Roman. The team was very strong this year especially the midfield. Outstanding players on the midfield were Rich Dunn, Rich McGlocklin and Dave Benidenno. The team had to put in hours of hard practice day by day, weather being no barrier, to produce a winning season.

Chargerettes Kick To The Beat Of Victory!

The Chargerettes are Holy Family's Pep Squad. Every girl has the opportunity to join this club. This year Joan Petrocelli and Grace Calayag served as co-captains under Mrs. Nielsen, the club moderator.

The Chargerettes are the audio-visual backbone of the great support given the football team during their playing season. Halftime means a colorful performance by the Chargerettes for the spectators. A variety of routines with specially executed high kicks put the Rockettes in the shadows.

Dedicated practice sessions on the part of girls and moderator could only produce such successful shows as have been seen this year.

Cheerleaders Spur On Spirit

Six squads make up H.F.'s Cheerleaders. They serve during one season — football or basketball — as they volunteer and are accepted by their moderator, Mrs. Shea.

Practice may mean moans and groans, aches and pains as the girls execute splits and cartwheels. But the game's performance proves that the time and dedication given by the cheerleaders and Mrs. Shea are well worth it all!

Girls' Volleyball Team Shows How The Game Is Played

Miss Loretta Irving and Miss Sally Hill coached the Varsity and Junior Varsity Volleyball teams.

This year's games were more competitive than ever, since two separate league divisions merged into one. The Varsity team had among them the talented Marie Donnelly (captain), Stacy McDonald, Terry Donaldson, and Barbara Hess. On the J.V. line, the teams strength was Diane Pinkerton, Diane Pasatieri, Sharon Brogan and Colleen Brady.

The end result of the team's hard practice was a very successful season.

Girls' Basketball Team Demonstrates The Art Of Good Sportsmanship

The Girls' Varsity and Junior Varsity teams agreed that wins are not everything. Learning to meet the challenge and learning how to play basketball made this year a very successful one. Both Miss Toop and Mrs. Bayly were very pleased with the girls aggressive yet sportsmanlike attitudes.

The J.V. team has quite a bit of varsity material for next year's team.

H.F. Cheerleaders Cheer To Victory!

This year the Basketball Cheerleaders were coached jointly by Mrs. Shea and Sister Mary Martin. The girls spent much time in preparation for the long basketball season. If one ever stayed after school one could not help but hear and see the girls practicing and perfecting their routines. It is the girls' duty to know the routines and cheers in order to spur on the spirit at the games.

The Girl's Field Hockey Team Has A Way With Goals

This year was a new start for an old sport here at Holy Family. Both the Varsity and J.V. girl's Hockey Teams finished with a 1-2-1 record in their October to November season. Pat Nuovo, of the Varsity Team, scored the winning goal against Lutheran High. Other outstanding players were Terry Donaldson, Ellen Dorney, and captain Marie Donnelly.

The J.V. captain is Loretta Didwell who also scored the winning goal against Holy Childs. Mary Alice Callahan also proved her strength this year. The coach, Miss Irving, encouraged her teams to spur on to victory. With one promising season under the net, the teams hope for the best of luck in future seasons.

The Girls' Track Team Runs To New Lengths

The Girls' Track Team underwent a change this year. With the departure of their coach, Mrs. Judge, Mrs. Walter took over the challenging job. The girls displayed their talents in events such as softball throwing, broad jumps, high jumps, long distance relays, and dashes. The entire team worked long and hard perfecting these skills. Rain or shine the girls practiced indoors or out. Especially tough competition was had from old rivals such as Our Lady of Mercy and Lutheran High. They met head on in the highly competitive Nassau, Suffolk Private High School Girls League.

Judgement, Timing, Distance And Speed Make The Girl's Softball Team Great

This years Varsity Softball team is coached by Mrs. Walters and the Junior Varsity Team is coached by Mrs. Damm. Each coach worked hard in perfecting the skills and tactics of the team.

Back from last year are Barbara Hess, Terry Donaldson, Donna Brady, Donna Pasterrie and Marie Donnelly.

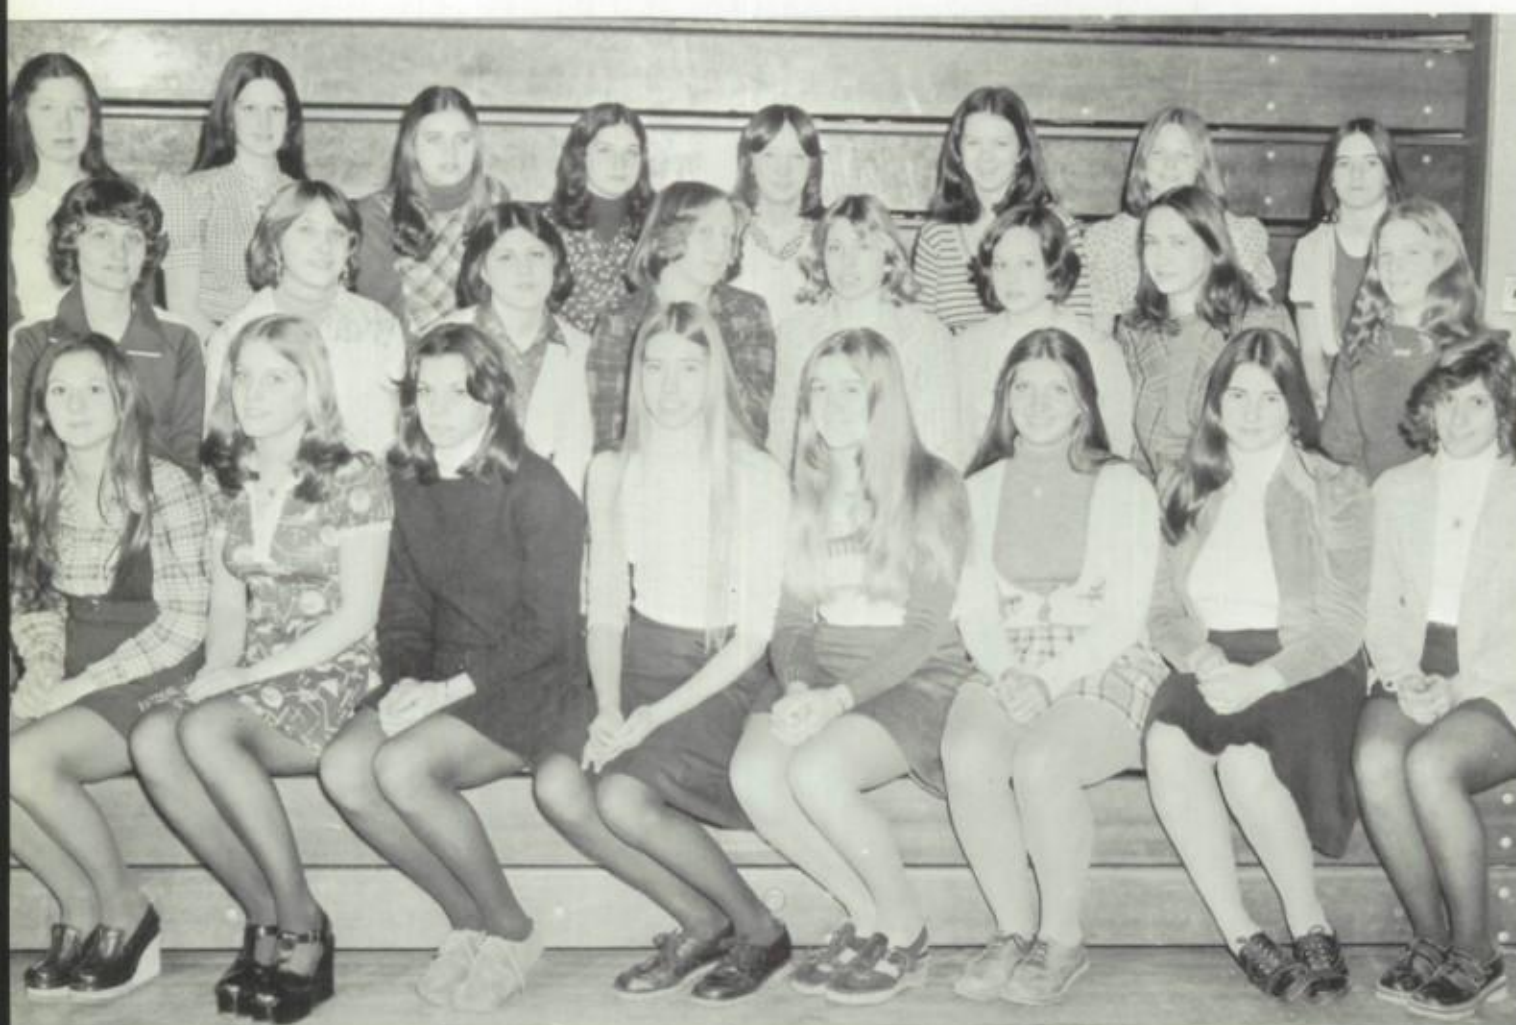

To produce a good team the girls must devote a lot of time, energy and effort. To be on either J.V. or Varsity softball one has to be able to hit as well as being able to run and play the field.

“Mark and Esther” would be proud of H.F.’s Team

Holy Family’s girls’ athletic department has added to its sports activities the Girls’ Swim Team. Thanks to their moderator and coach, Mrs. Kathy Walters, the girls participating in this sport have begun something “new” very successfully.

Mrs. Walters feels that the girls have gone far for their first year as a team; she hopes this team will encourage other girls to try out for the teams in the future.

The team participated in the Nassau-Suffolk Parochial High School Swimming Championship at Farmingdale High School on March 8th. Kathy Cawley received a 2nd place trophy for the fifty Butterflies with a time of thirty one seconds. Our 200 Freestyles relay we came in 2nd place breaking their own record of 2:05. The swimmers who received trophies were Shayne Cawley, Donna DiPasca, Barbara Hess and Pauline La Prella.

The Girls Show Their Control In Badminton

This year the girls' Badminton team was coached by Mrs. Suriano. The team which included many seniors spent hours practicing. The girls came upon much competition but showed their great strength. The girls also showed the other teams what great sportswomen they are when losing. Much credit is due the girls for their spirit and perseverance with the sport.

Girl's Gymnastics Soars to New Heights.

This year's Varsity girls gymnastic Team was coached by Mrs. Walters and the Junior Varsity Team coached by Mrs. Maureen Damm.

Outstanding gymnasts were Colleen Coheleach, Louise Constantin and Paula Linter who were on all apparatus. Meg Cooney and Mary Ann Lawshe were fantastic on the unevens and floor exercise.

The Gymnastic Team is flexible and has a lot of talent which has been proven and will continue to do so. The team started off great winning their first two meets against St. Agnes and Queen of the Rosary and ended up with a winning season.

The Holy Family Girls' Tennis Team Raises a Racket Wherever They Go!

This year's Holy Family Tennis Team was coached by Mrs. Barbara Walters. The long tiresome hours that were spent practicing really paid off for the team. They had a record of five wins and one loss.

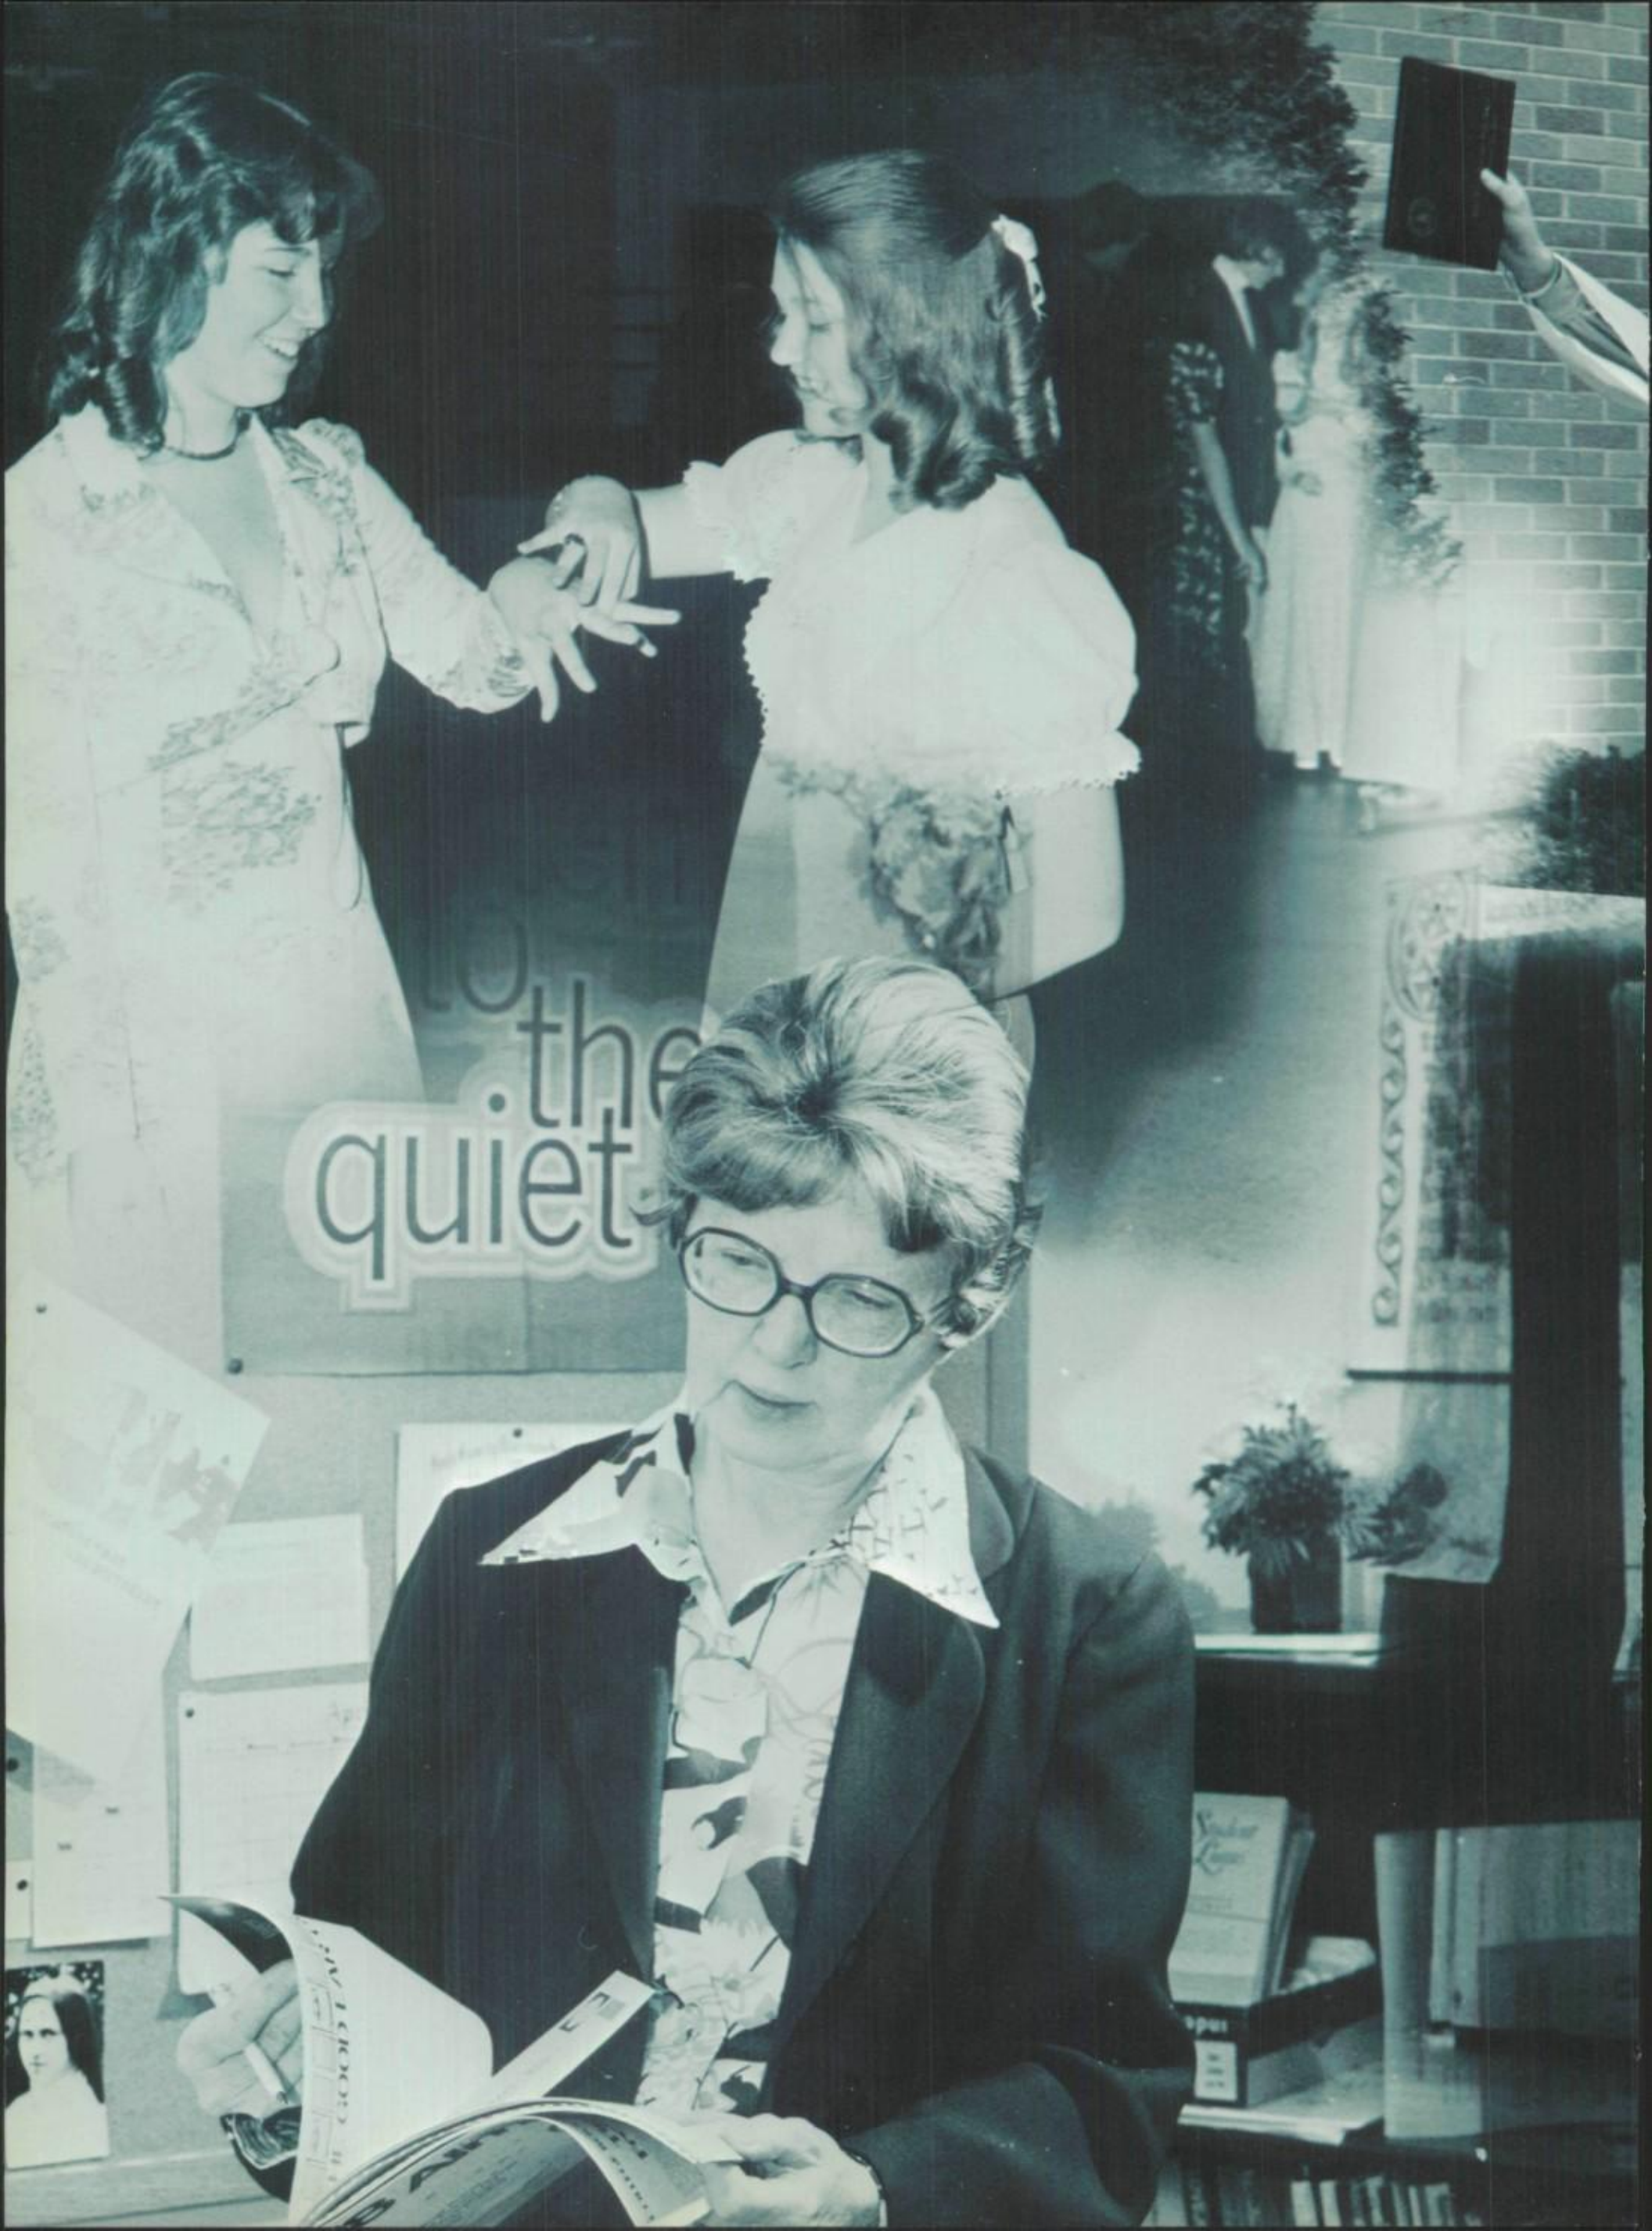

Leading in the singles matches were Karen Scharfenburg, Caryn Kingman, and Patty Laughlin. In the doubles matches the team had Marsha Connelly and Meg Cooney, who were hard to beat. It has been the school's fourth year with a girl's tennis team and they are proving to be a very worthwhile part of the girls' sports program.

SPECIAL EVENTS

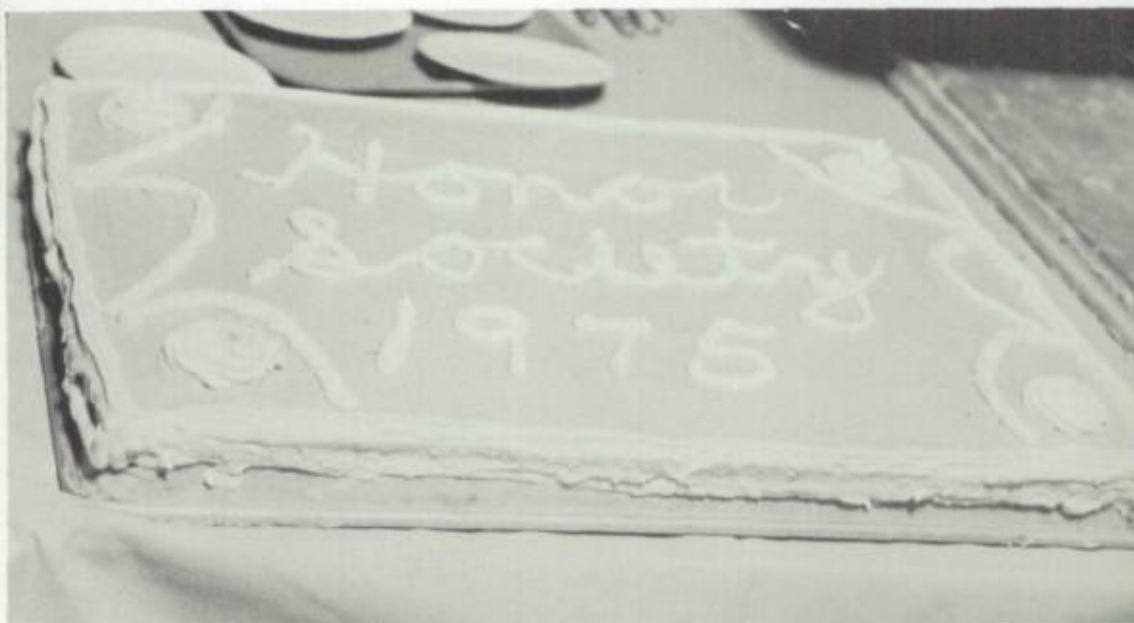

Tim Scully reflects the qualities of the National Honor Society.

Bishop Mulrooney inspires us with his address.

Scholarship, Leadership, Character and Service Stand Out at Holy Family.

Students who have met high standards of character, leadership, service and scholarship are elected to the National Honor Society. The criteria for membership is never scholarship alone — it always depends on the other three contributions on the part of the students — leadership, character and service. Seniors must maintain a "cum" average of at least ninety percent. Juniors elected at the end of their junior year are required to have a higher "cum" average decided by the principal. Active members are those eleventh and twelfth grade students who meet all requirements for membership stated in the constitution of the school, and who have been elected to membership by the principal and faculty.

Even the cake deserves honors.

Our Faith is Strengthened With the Liturgies

A special aspect at Holy Family is the Liturgies. Mass is consecrated everyday for students interested in deepening their faith in God and union with the Sacramental Christ. Father usually invites the students to become more aware of their participation in mass by standing with him at the altar.

Pat Hayes carefully offers the chalice to Sister Angela Esposito.

Father Kelly and Father Flathery share in the celebration of the mass.

Jim Wurzler receives the Body of Christ from Father Kelly.

School Liturgies are offered periodically. This makes a spiritual experience more available to all. These Liturgies are prepared by students, guided by Sister Nora McNiff. They choose meaningful excerpts from the Bible. The Folk Group provides a sense of harmony, peace and serenity at the Liturgies.

Father Kelly and Father Flaherty give witness to the unity of Holy Family by concelebrating the Eucharist. This enables one to be very moved at any one of the Liturgies.

Class Liturgies are designed to bring each individual closer to God and each other.

Father Kelly inspires the student body to an appreciation of the Greatness of God with his Homily.

Dances Provide A Night of Entertainment and Enjoyment.

The Dances at Holy Family attract underclassmen and upperclassmen alike. Many are held for special occasions, but others simply provide an atmosphere for the students to gather socially.

The highlight dance of the year was the Sadie Hawkins Dance held on February 21. At this dance, the girls invited the boys, the dress was hillbilly style and everyone who went had a great time.

The Social Committee, chaired by Denise Armstrong makes all the arrangements for musical entertainment as well as the general running of the dances. Members of the faculty chaperone at the dances to insure the safety of everyone who attends.

An Exciting Seminar Day at H.F.

On March 5, 1975, regular classes were suspended and in their place, Seminars were held. The courses were varied ranging from Hypnosis to Scuba Diving and Dream Interpretation to Child Abuse, just to name a few.

The Seminars given provided the students with an opportunity to be introduced to many new learning experiences that could possibly be followed in the future.

The reaction to the day was apparent. For all who participated, including faculty, students, and outsiders, the day provided a chance for them to share their specialty with others. For those who went to the seminars, the day proved to be interesting and informative as well as enjoyable.

A special thanks must be given to Jim Constantine, Chairman of the Academic Committee, along with Katie Godfrey, Joan Kirchner, Eugenie Reichel and Joan Reinhardt, members of the Committee, for making the day a huge success.

Happiness is Beautiful Music!

One of the most enjoyable concerts at Holy Family this year was the Music Department's presentation of the Pops Concert. This concert, held on March 8th, was dedicated to the emerging new Holy Family community of faculty, students, and parents. Our new Chorus director, Miss Irene Seubert, was pleased at the way her first Holy Family concert turned out. The orchestra and stage band were conducted by Mr. Michael Nardotti. To show the unity of Holy Family students, the orchestra and Chorus joined together for a rendition of selections from *Oliver* and *Fiddler On the Roof*. Solos were performed by Carrie Quintos and Marianne Doepper. The Stage Band played many popular songs, such as "Does Anybody Really Know What Time It Is." Instrumental solos were performed by Tom Kelly, Joe Lynch, Lidia De Soto, Bill Zopf and Tom Latton. The Mixed Chorus sang such songs as "Morning Has Broken" and "Elijah Rock." All the performances were enjoyed by the audience.

Vendors galore at Holy Family Flea Market.

As a result of their huge success last year, Holy Family decided again to have two Flea Markets this year. They were held on December 14th and April 12th, and were as successful as the previous ones.

Jim Murphy and the rest of SAC worked diligently preparing for both Flea Markets, renting booths, setting up, picking up and the various other jobs that went along with making the two days flow smoothly.

Many vendors who came last year rented booths again this year selling everything from Antiques to home-sewn goods. Thousands of buyers were attracted by the fine advertising that was done well in advance to the Flea Market days.

The school community thanks SAC for carrying out the project so well, and hopefully the Flea Markets will continue throughout the coming years at Holy Family.

College Night — Making Plans For the Future!

On October first, Holy Family held College Night for all juniors and seniors. This evening was provided to help students plan for their future education. The Guidance Department organized the event. Some of the parents gave of their time to be of service.

College Night at H.F. is a fascinating adventure for the students. There is a large representation from many fine colleges and universities. All the information needed is supplied in the form of pamphlets, film strips, books and catalogues. Here, the students are able to ask many questions about college. Christmas Concert — A Time to Rejoice!

The Christmas Concert, held on December 19th started the holiday season for Holy Family. The Concert was a combined effort of the Chorus, Orchestra and Stage Band. Under the direction of Mr. Nardotti, the Orchestra performed many pieces that left the audience in the Christmas Spirit. The Stage Band followed and as usual met with great success as they brought the audience to their feet in applause.

For the first time a student, Lydia de Soto, conducted the Stage Band for one number.

The Chorus performed various selections from Handel's Messiah. Mrs. Lenny led them through the renditions that brought everyone together in the Christmas spirit. Solos were sung by Sopranos Carrie Quintos and Marianne Doepper, Alto Angela Gorman and Tenor Robert Doepper. Members of the faculty and alumni joined with the Chorus for the Hallelujah Chorus. All who attended were filled with the joys of the Christmas Season.

Students interpret the Christmas message on the windows at H.F.

Santa Arrives Early This Year To Celebrate Christmas at H.F.

Walking down the halls on December 20, 1974 any student could feel the Christmas spirit in H.F. Santa Claus (alias Guy Intoci) visited early this year before his appointed rounds on December 25. Rumor has it that he did so to check on all Holy "Familites" to make sure they were all behaving. The halls resounded with the sounds of Christmas through the kindness of the Stage Band.

Christmas meant School Liturgy, Dance, Buffet, Music and glad Tidings.

Lisa Brockschmidt and Jim Harrison share a quiet dance together.

Father Kelly begins the ceremony with a prayer.

Ring Day, the first step towards senior year!

As any Junior will tell you, Ring Day is one of the most anticipated days of the year. Father Kelly celebrated a Mass in the auditorium for the Class of '76, teachers and parents. The theme of the liturgy was "Man's Search for His Life's Purpose," and Father spoke of the significance of the school ring. After a blessing, the rings were distributed by the Advisors. Following the service, a Dinner Dance was held in the cafeteria where over 300 Juniors began the annual ritual of turning rings, 76 times.

Father Kelly's homily reflects the message on the banner.

Some members of the student body add to the excitement by performing skits.

Members of the Varsity Football Team walk proud after receiving a vote of confidence from the student body for the big game.

The Spirit Begins Here!

If anyone would like to see the spirit that is alive and kicking in H.F. they should attend one of its pep rallies. At one thirty on October 25, 1975, the gym filled with the students full of pep and vigor to show their support for the football teams.

The Stage Band provided music for the occasion and the cheerleaders led the welcoming of the players. A mock football game was demonstrated by a number of the junior class members.

Coach Charles McGuckin gave a victory speech which was received with great enthusiasm by the crowd. The afternoon ended with everyone singing the Charger Victory song.

The cheerleaders led the school in the H.F. Victory cheer.

Adaptions: the new game show at H.F.

The New and Different Traveling Show — Adaptations

The Newest Game Show in town — Adaptations. This was this year's traveling show. Mr. Clute directed the show in which twelve students interchanged parts in each show. The members of the cast did not know what part they were playing until fifteen minutes before the opening curtain.

The show was very funny and lasted only forty minutes. Members of the audience were hysterical or tears of laughter came from their eyes.

The show first opened at Holy Family in November and traveled throughout Long Island and Upstate counties. The show was well received where ever it went. Members of Holy Family said they "Loved it".

History Relives Itself In The *Diary Of Anne Frank*.

The Diary Of Anne Frank was one of four productions staged by the Holy Family Theatre Company for the 74-75 school year. The *Diary of Anne Frank* was a sad and dramatic plot which followed the general year theme of "Wondering About Heroes". According to the audiences, the most moving part of the play was when Anne's voice was carried over through total darkness of the stage. The play was truly one of total magnificence.

There Was Fun and Laughter In *Guys and Dolls*!

Once again the Holy Family Theatre Company came through with a spectacular production for the All-School Musicales. This year "Guys and Dolls: A Musical Fable of Broadway" was described by Mr. Charles Clute as "one of the funniest musical comedies ever." Six performances during the month of March received enthusiastic audiences.

Frank Grilli played the male role of Sky Masterson with Carrie Quintos and Maryann Doepper alternating as Sarah Brown, and Maria Radman and Laura Ginter as Adelaide. The back stage activities can not go unmentioned for the stage crew, lighting crew, costume designers and make-up committee were masters in producing works of art. Mr. Nardotti, Mrs. Lenny and Miss Schubert with their singers and musicians gave their all to this fabulous production! The theatre group and the music department joined their superior talents to the play.

May 8, 1975 was a Night to Remember!

The Junior Prom highlighted the eventful year for the Class of 76. Ascension Thursday, May 8, was the anxiously awaited date. This year's prom differed from those of previous years. It marked the first time in which the Junior Prom was not held in our cafeteria. This year, the Woodbury Country Club provided the picturesque setting. "Your Song", by Elton John was the theme. Entertainment was provided by "Sweet Back."

One of the reasons why this year's prom was so successful was because of the great response and amount of participation given by the Junior Class. Class President Cindy Wilson and the Prom Committee worked many long hard hours in order to make the memorable evening enjoyable for everyone.

Concert and Play Bring Spring To Holy Family.

The Holy Family Music Department held its annual Spring Concert on May 16 and May 17. The Vocal and Instrumental sections of the Music Department joined together for the final concert of the year. The Chorus performed songs such as "Ride on King Jesus" and "Alleluia". The Instrumental sections performed "Irish Rhapsody", "Reflective Mood" and others keeping the audience moving with each selection. Madrigals, Choraleers and the Men's Glee Club entertained the audiences with many beautiful songs; the Choraleers sang and danced to a *Godspell* medley. Miss Seubert and Mr. Nardotti believe that Spring Concert preparation is an education for the music students. The emphasis is placed on being able to read into the music, in order to put on a good concert. As in the past, the Music Department performed with great success and were well received by each audience.

HF Presents *Lovers*

This May 17 during the Arts Festival, the play the *Lovers* was presented. The cast consisted only of three people. Jennifer Reid and Tim Hempton played the lovers and Carol Ross was the narrator. The play deals with two Irish teenagers who are in love. One is told through narration the story of the two lovers. As the story unfolds one realizes that the two have died and it is up to the audience to decide if they died by accident or by suicide.

Art, Music and Theater Shine At the Arts Festival

Holy Family's annual art exhibit took place on the weekend of May 16 and 17 with the theme of "Peer Workshop Suite — Opus, 75." Under the careful planning and direction of Sister Eleanor Gorman, Mr. Bishop, Mr. Michael Nardotti and Mr. Charles Clute, this year's exhibit proved to be the first of its kind. For the first time, while the exhibit was going on, Mr. Nardotti supplied various selections of music and Mr. Clute performed various skits. So it was not really just an art exhibit but a Fine Arts Festival.

Students from all three departments demonstrated, exhibited, and performed their various abilities. Holy Family students sent out invitations to surrounding schools inviting both students and faculty. With the by line that appeared in the invitation and on the posters, "Know the full score — Come See, Come Hear." The festival proved to be a smashing success.

The magical night of the Senior Prom took place in the Salisbury Inn.

Seniors Spend an Evening Together Filled With Much Enjoyment, And Many Memories.

The night of June 3, 1975 was the time, the place was the Salisbury Inn in Eisenhower Park, the scene was the Senior Prom. Following the Theme "We shall never pass this way again" couples danced 'til one to the music of Brass Tacks.

It was a night full of fun and enjoyment, leaving behind the pressures of impending graduation. Much credit and praise must go to the prom committee and Anne Marie Reilly, Senior Class President for working hard to make this a success. It will be a night to remember by the many who attended. A last good time for the class of '75!

Graduation — A Goal Reached!

In a yearbook, this is possibly the most difficult article for a senior to write. How does one say thanks to a school, a community of people — forever? How does one say goodbye for the 484 individuals that comprise the Class of 1975? The most obvious and most appreciative way would be a self commitment on the part of each individual member of the Class of 1975 as alumni of Holy Family through a continued support of Holy Family in the years to come.

Yes indeed, June 8, 1975 at three in the afternoon proved to be a closing of a chapter in the lives of the Seniors or the beginning of a chapter, another journey. As to its being a closing or beginning chapter, only each senior can decide for himself. Hopefully, it is beginning.

Father Kelly congratulates Sue Blydenburgh and John Curran on their graduation.

Denise Berthiume — Valedictorian

Hopefully our educational experience at Holy Family has instilled a desire to effect changes within our respective spheres of influence which preserve ideals of individualism.

Holy Family added to the wonderfulness of living life fully and exuberantly. It provided an atmosphere in which an individual through freedom is able to seek out personal as well as intellectual development.

The Fashion Show Was a Rousing Success

October of this year brought with it another fashion show run by the Parents' Club. The show was held at the Huntington Town House. Many students and parents volunteered their time and services to work on the show. This work entailed either being a model or serving on one of the various committees that organized the evening. Much thanks is due to these hard working people for making this year's Fashion Show such a rousing success.

Parents' Club Raffles Off Dodge Charger at Ball

The Parents' Club is a very important club in H.F., for without this club, no other club could exist. The Parents' Club meets the second Thursday of each month in the cafeteria.

The meetings are run by the President, Mr. Tom Baldwin, along with Vice president Mr. Leonard Kuskowski, Secretary Mrs. Patricia Flood, Financial Treasurer Mrs. Eileen Curran and Treasurer Mr. Dick Vetter.

The club's main concern is fund-raising. This year they were responsible for the Charger Ball and its car raffle, the Fashion Show, and Bingo which is held every Sunday night in the cafeteria. This year's Square Dance was also a huge success.

Posing for a picture at the Ball are: Mr. Curran, Mr. and Mrs. Kuskowski, and Mrs. Curran.

Parents' Advisory Board Proves Successful —

The Parent's Advisory Board of Holy Family consists of ten parents elected by the parents of Holy Family students to serve two-year terms. The chairperson of this year's board is Mrs. Joan Kelly. The board serves solely in an advisory capacity to Father Kelly.

This year, in addition to the board's usual responsibility of intermediary between administration, faculty, and parents, it has taken on the added task of helping Father Kelly become familiar with some of the background and traditions that make H.F. the unique high school it is.

Remembering those days in which we shared together.

A Tribute to a Priest, Man
And Dear Friend!

Father Boesel relaxing in his new office in his parish, Our Lady of Mercy in Hicksville.

It was too late to say farewell in last year's year book so we are taking the opportunity now to let you know what has always been in our minds and hearts. We wish to thank-you from the bottom of our hearts for the unending hours of dedication you gave to our community. Yet The Symbol has always said it:

1970 — "With Father, there is nothing so important or demanding that he cannot stop to shake hands vigorously with a student he hasn't seen for some time or to tease a girl wearing a birthday corsage."

1971 — "Confidant to many and friend to all, Father always has the welfare of each student in his mind and never denies anyone the time to visit him and chat, casually and candidly, with him."

1972 — "During this past year, more students have realized the understanding and joy he can bring them. With a sympathetic ear and bright smile, Father Boesel lends a helping hand to all who need him."

1973 — "Who is Father Boesel? You might as well ask, Who is Santa Claus? Father Boesel is a dear, close and personal friend to every student at Holy Family, whether he be a Freshman or a Senior."

1974 — "What other things can be said about the man who is always willing to help, and whose door is always open? He is kind, helpful, sympathetic, jovial, wonderful, and most of all "Extra" ordinary."

You told us in our visit to you that in the priesthood, you must be very adaptable to God's graces and only to do what He wants. We know you realize what Christ meant by the meaning of a good shepherd in leading your fold. We can only hope that the friendships you made here will remain deep and trusting.

Father Boesel waving goodbye from the front door of his rectory in Our Lady of Mercy.

May God have mercy on their souls

Now that the hustle and bustle is over! Now that we've taken our last picture, written our last sentence and mailed our last package! Now that we've completed the book, we wish to remember those people who inspired us to make the "75" SYMBOL a reality. To these people we owe our deepest gratitude. . . .

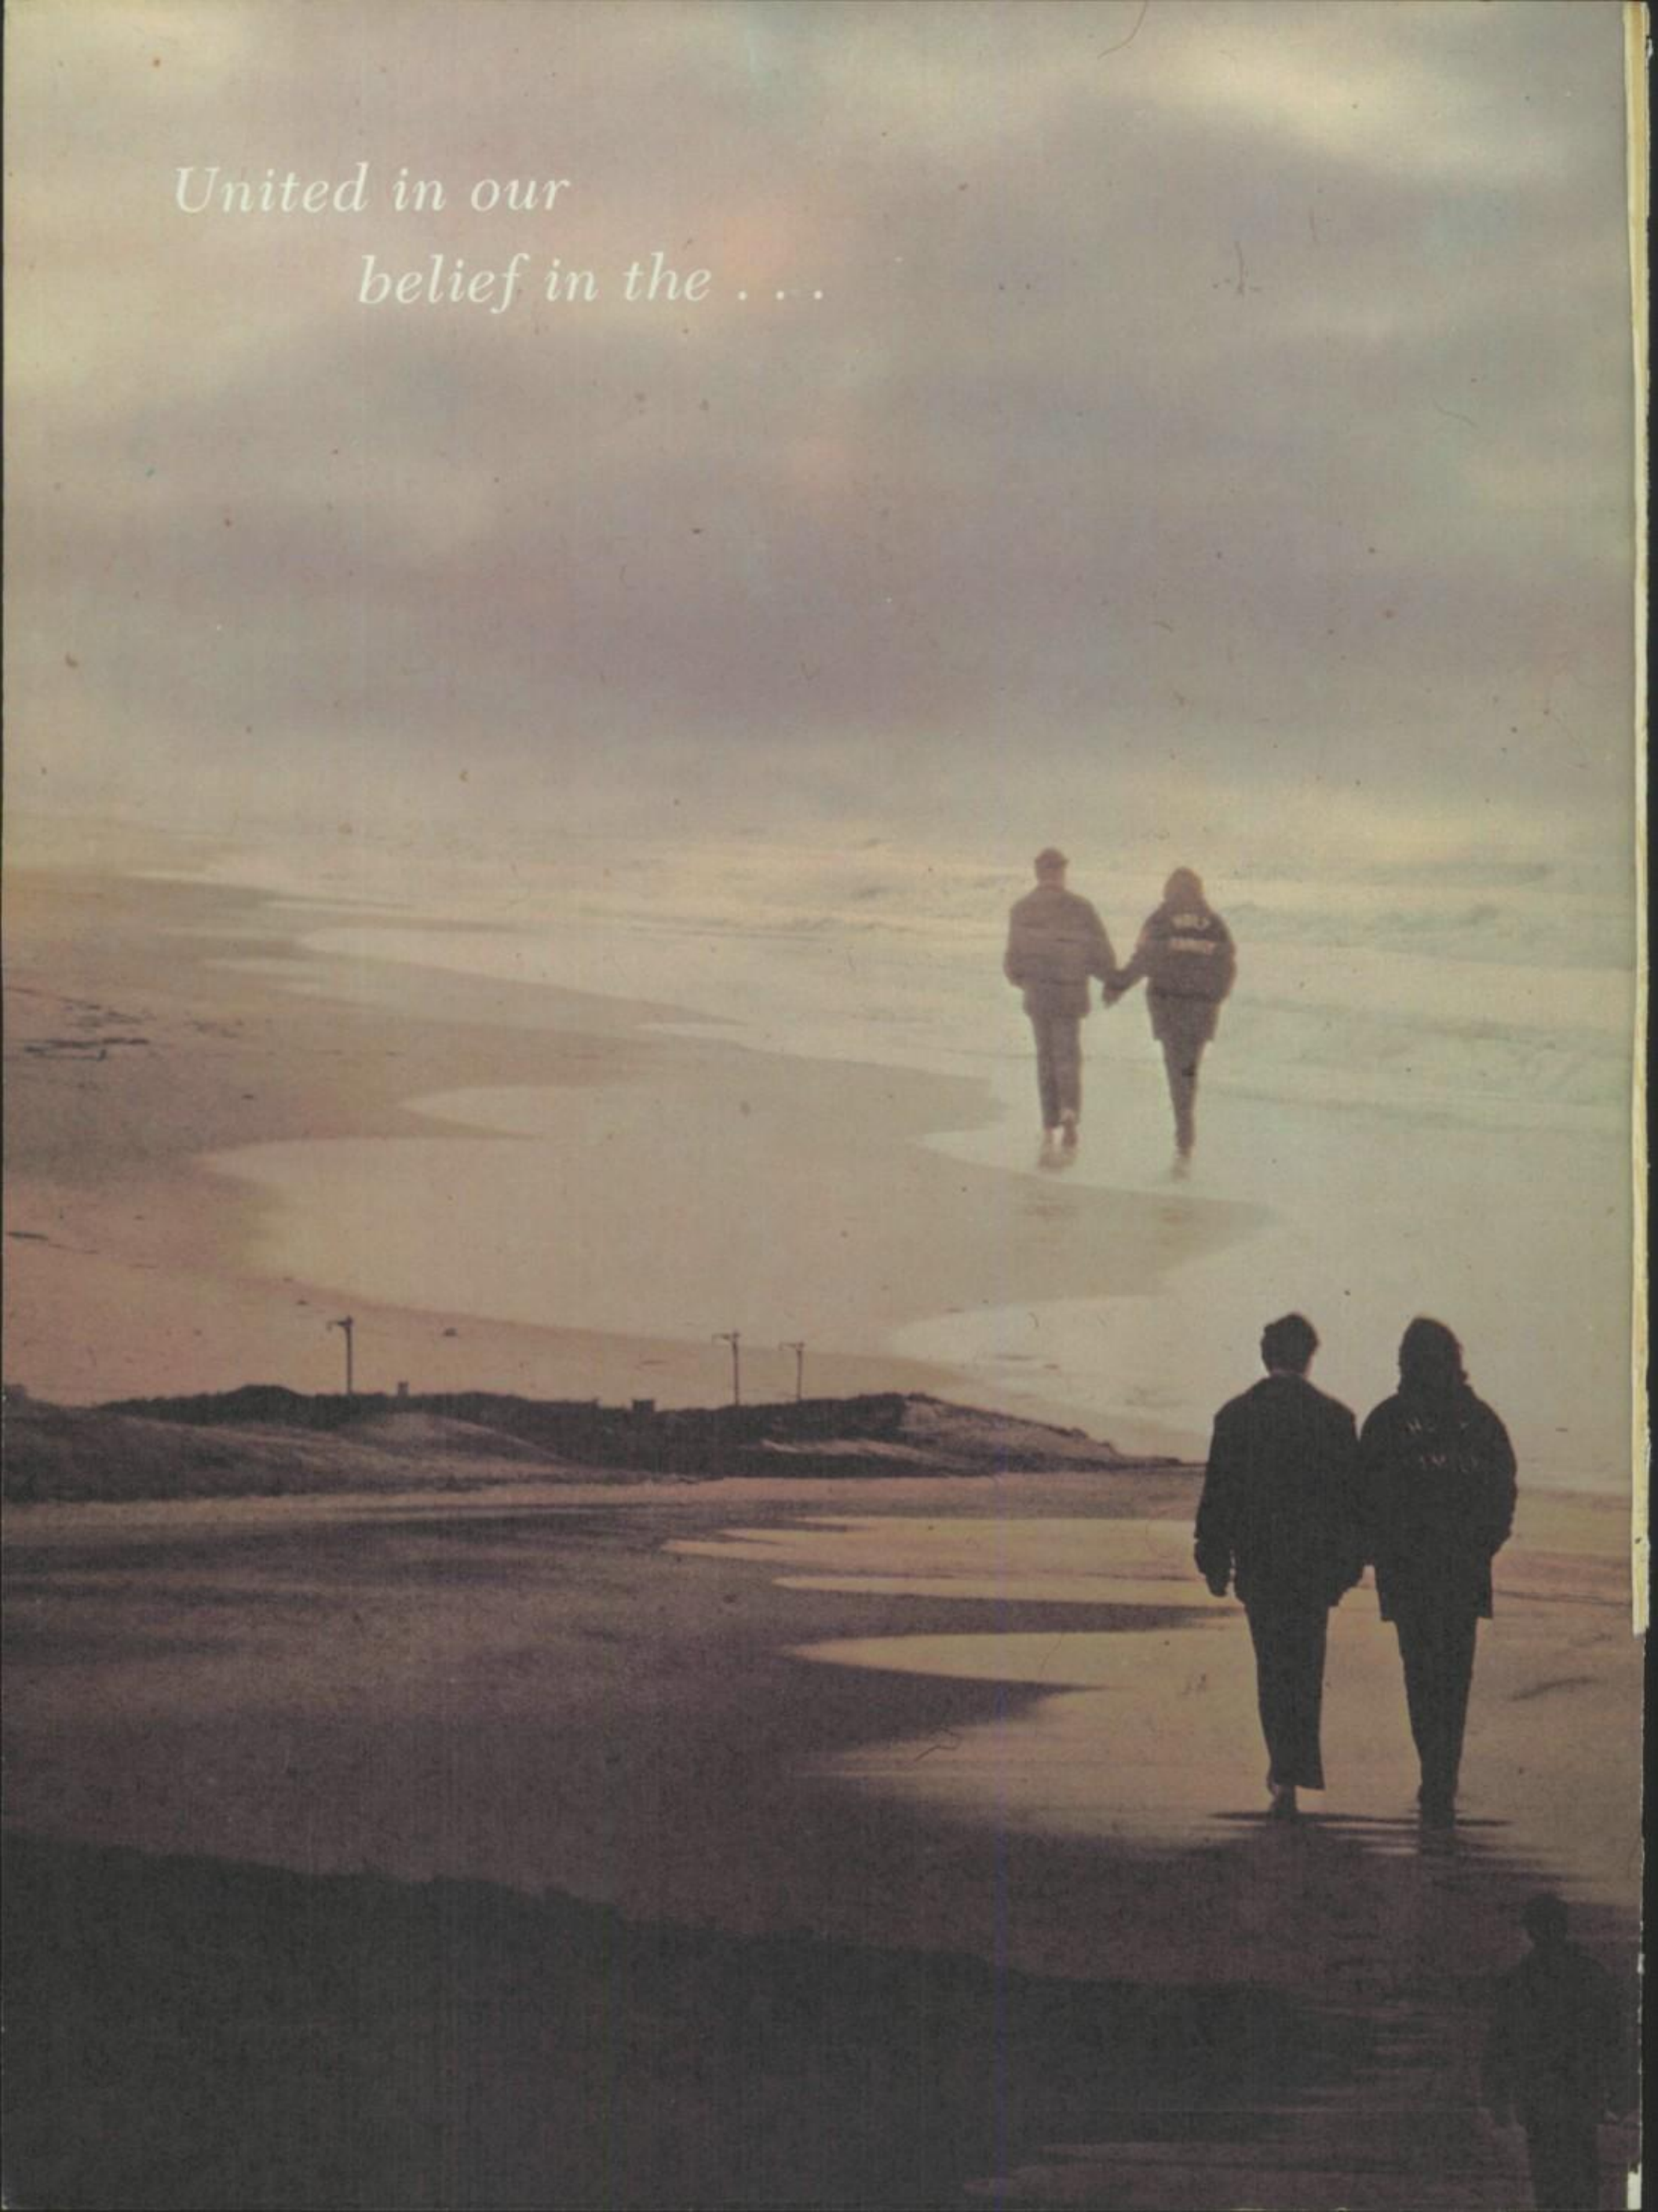

- to the Rev. James P. Kelly for his unending interest and dedication for our yearbook.
- to the administration, faculty and students for their lasting support.
- to Mrs. Mary Bamberger, for the help we so greatly needed in financial records and her fantastic moral support. We will never forget you Mary, and you will never forget us, as you will begin to realize. (We hope).
- to our good friend Mr. Fred Black and the A&S studio who helped us put our ideas into pictures.
- to Mr. and Mrs. Russell R. Benson, for their dedicated service and long hours of work that made our layout "one in a million." The love and admiration we have for you shall never cease. We shall always remember you.
- to our advertisers for making the "75" SYMBOL a reality.
- to Mr. Wallace Hurley and Mr. Thomas Walker of the Hurley Printing Co. who performed the impossible task of printing this book.
- to Mrs. Mary Lou Donnelly, Mrs. Kay Henning, Mrs. Kay Brunt and all the others who assisted us in identifying pictures and who persevered with us when our need for information arose causing us to turn to them.
- to Mr. Anthony Lo Nigro for his special help in printing the ad blanks for the drive.
- to Abbey Tuxedo for lending us the tuxedos for the staging of the Senior Prom.

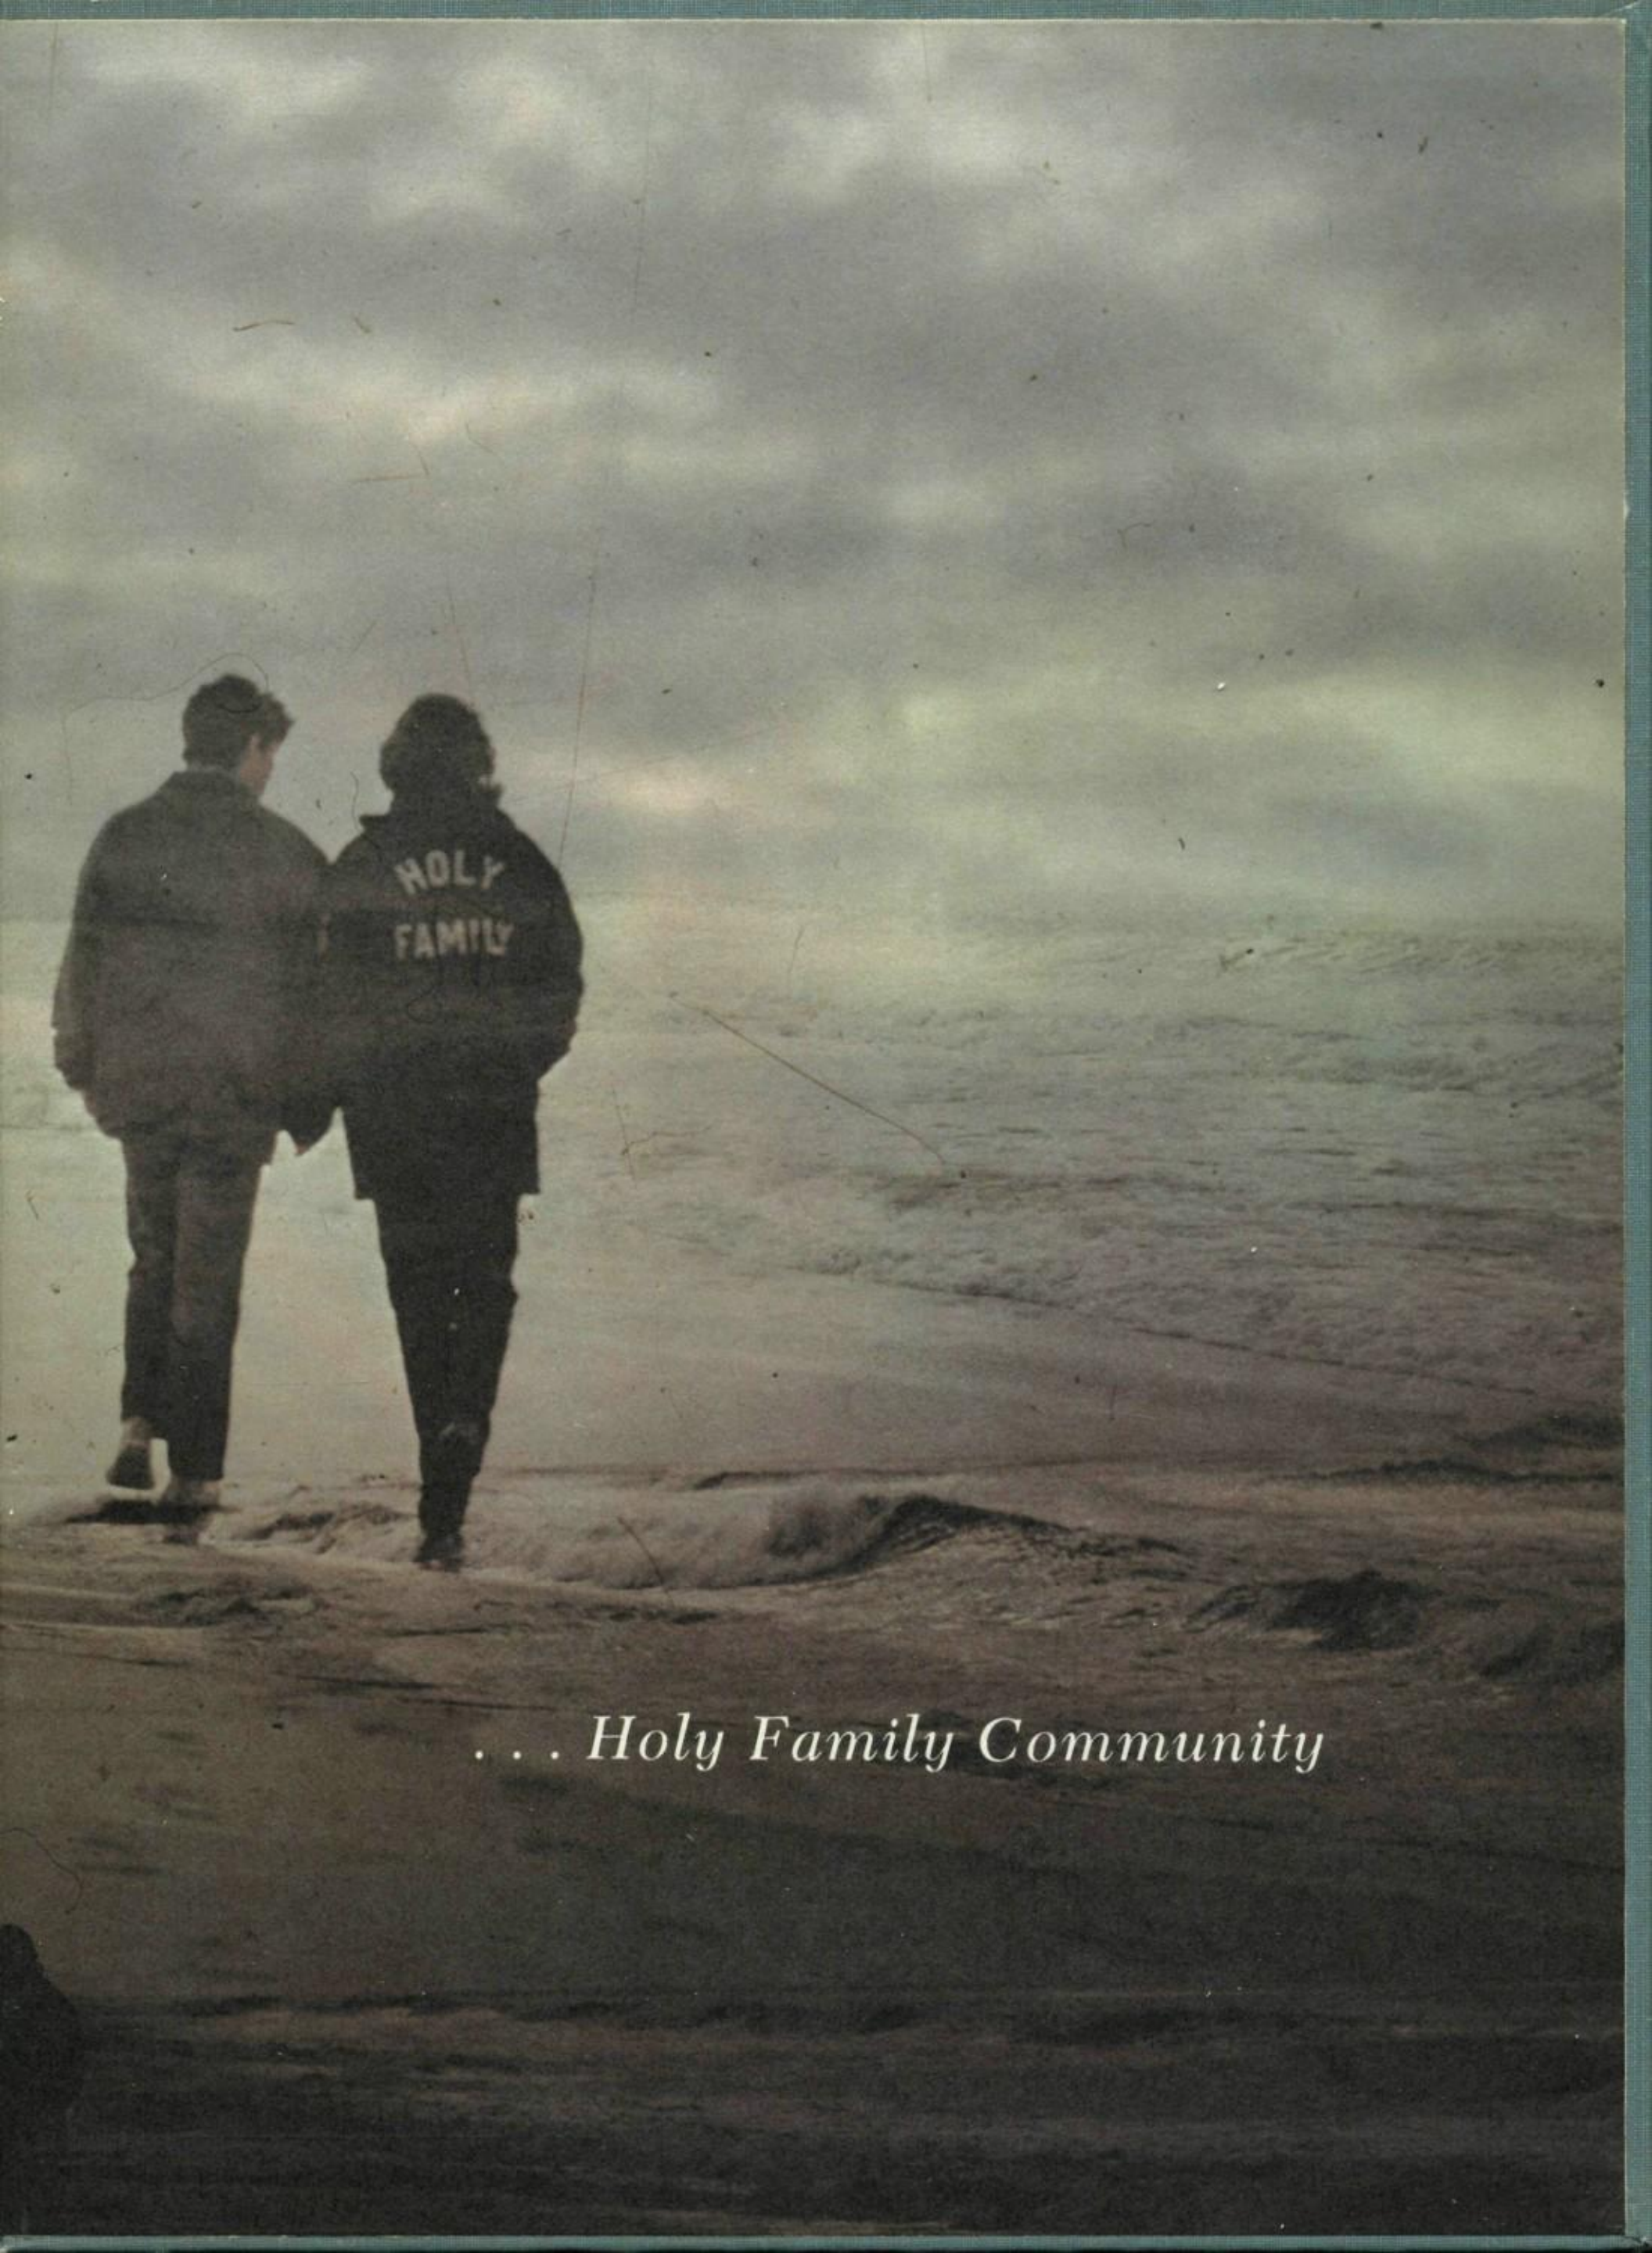

- to Mr. Cole, superintendent, for permitting us to remain in school even when the clock stroke 1 A.M.
- to the staff, especially Pat Hayes, whose dedication went beyond the line of duty, especially at the termination of "our year of ulcers."
- to our parents who understood why we were never home for breakfast, lunch and dinner. We truly thank our parents who listened to the problems we faced and the encouragement they gave when things got rough in producing this book.
- to Sister M. Elizabeth Loretto, our moderator and dearest friend, who always knew what was right and without whom, this book would have been the impossible dream. (We would have liked to dedicate this book to you, Sister, but we knew you would never have forgiven us. So we have dedicated our SYMBOL page to you with unending admiration. This is not a good-bye because our visits with you shall continue no matter where we are, for the rest of our lives, so that we can reminisce together, of times that have passed and of those yet to come.)
- and to all those it is impossible to mention, for without all of you we would never have made it!

And so we thank-you ever so much. For now we say goodbye to Holy Family and to our fellow classmates as one part of our journey comes to an end, and as we look forward to the parts yet to come, for that is what we begin now, another journey of a thousand miles.

Sincerely,
 Bob Wessmiller,
 Jim Wurzler and
 Tom Tuite
